The Last of Him.
IF you are weak and debilitated, but immediately obtain a bottle of Hohenack's Worm Syrup, and restore your health and happiness.
While others will excite your fears to sell their spurious preparations, with no evidence of their possessing such a cure, we have the fruit of a patient, which passed from Mr. Jacob Sheifenhiser, of Lancaster county, Pa., 336 inches in length, which he sent us, grateful for the restoration of health, and desiring that others may be convinced of the efficacy of the "Worm Syrup."
We will let this suffer tell his own tale of woe, and express the generosity of his noble soul in strings of gratitude for his relief from the grasp of this messenger of death.
Messrs. J. N. & G. E. Hohenack—Having been afflicted for some time, and finding no relief from various medicines, I was induced to try your Worm Syrup, from a belief of being afflicted with worms. I had taken but three bottles of your Syrup, when to my great surprise and immediate relief, I passed a tape worm 33 inches in length, which I send you in like manner, and in justice to the value of your medicine, I respectfully offer this statement. Yours respectfully,
JACOB SHEIFENHISER.

DR. HOEFLAND'S CELEBRATED GERMAN BITTERS,

DR. C. M. JACKSON,
AT THE
GERMAN MEDICINE STORE,
No. 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.
These Bitters are worthy the attention of Invalids. Possessing great virtues in the rectification of disordered Liver and Lungs, excelling the most searching powers in weaknesses and affections of the digestive organs, they are, withal, safe, certain and pleasant.
READ AND BE CONVINCED.
[From the "Boston Bee"]

More Evidence!
The "Philadelphia Saturday Gazette," the best Family Newspaper published in the United States, the editor says of
DR. HOEFLAND'S GERMAN BITTERS,
"It is indeed that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoefland's German Bitters, we wish it to be distinctly understood, that we are not speaking of the nostrums of the day, that are noised about for a brief period, and then forgotten after they have done their guilty race of mischief, but of a medicine long established, and whose efficacy is proved by the hearty approval of the faculty itself."
Evidence upon evidence has been received (the foregoing) from all sections of the Union, that the medicine of which he was the inventor, the regular physicians of Philadelphia, than all the nostrums combined—a fact that can be easily established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.
That this Medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases; the effect is immediate. They can be administered to female or infant with safety and reliable benefit, at any time.
BEWARE OF COUNTERFEITS.
This Medicine has attained that high character which is necessary for all medicines to attain, to induce counterfeits to put forth a spurious article, the risk of the lives of those who are innocently deceived.
Look well to the marks of the Genuine!—They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious.
