Save your Property for a Trifle.
ALL persons wishing to save their property from fire without the aid of insurance, should have their roofs covered with Blake's Patent Incombustible Slate, or Fire and Water Proof Paint. A roof well covered with this article will last much longer than a roof unpainted, and will render it entirely proof against fire and water. This article can be had very cheap at the hardware store of

The Last of Him.
READ the following:—Do not let it excite your fears, if you are weak and debilitated, but immediately obtain a bottle of Hoenbeck's Worm Syrup, and restore yourself to health and happiness.
While others will excite your fears to sell their spurious preparations, with no evidence of their touching such a case, we have the highest reputation, and any one can see it at Coates and Second street, which passed from Mr. Jacob Shefferson, of Lancaster county, Pa., 375 inches in length, which he sent us, gratified, and he rendered it entirely proof against fire and water. This article can be had very cheap at the hardware store of
JOHN P. LYNE.

Liver Complaint,
JAUNDICE, DYSPEPSIA, CHRONIC, OR NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, AND ALL DISEASES arising from a disordered liver or stomach, such as Constipation, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swelling at the Head, Harid and Difficult Breathing, Flushing at the Heart, Choking, or suffocating sensations when in a lying posture, dimness of vision, dots and webs before the sight, fever and dull pain in the head, deficiency of perspiration, yellowness of the skin and eyes, pain in the side, back, chest, limbs, &c., sudden death, or heat, burning in the flesh, constant imaginations of evil, and great depression of spirits, can be effectually cured by
DR. HOOFLAND'S CELEBRATED GERMAN BITTER,
PREPARED BY
DR. C. M. JACKSON,
AT THE
GERMAN MEDICINE STORE,
No. 120 Arch Street, Philadelphia.
Their power over the above diseases is not exceeded, if equalled, by any other preparation in the United States, as the cures attained, in many cases after skillful physicians had failed.
These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of the organs of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without a doubt, certain and pleasant.
READ AND BE CONVINCED.
[From the "Boston Bee."]
"Dr. Hoofland's Celebrated German Bitters, for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular Medicines of the day. I have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are speaking from experience, and to the afflicted we advise their use."
[From Scott's Weekly.]
"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect that they have upon weak systems."
[From the N. Y. Weekly Messenger, Jun. 6, 1860.]
"Dr. Hoofland's German Bitters—Here is a preparation which the leading press in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr. Christopher Wilhelm Hoofland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the greatest medical writers Germany ever produced. He was emphatically the remedy for the liver, and therefore a medicine of which he was the inventor and endorser, may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation, and all complaints arising from a disordered condition of the stomach, the Liver, and the intestines.
MORE EVIDENCE!
The "Philadelphia Saturday Gazette," the best Family Newspaper published in the United States, the editor says of
DR. HOOFLAND'S GERMAN BITTERS,
"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrum of the day, that are noised about for a brief period, and then forgotten after they have done their gully race of mischief, but of a medicine long and heartily approved of by the medical profession, and which has met the approval of the faculty itself."
Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor is that of the regular physicians of Philadelphia, and all other notations combined—a fact that can be easily established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.
That this Medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it directed. It acts specifically upon the stomach and liver; it is preferable to colic in all bilious diseases; the effect is immediate. They can be administered to female or infant with safety and reliable benefit, at any time.
BEWARE OF COUNTERFEITS.
This Medicine has attained that high character which is necessary for all medicines to obtain, to induce counterfeits to put forth a spurious article at the risk of the lives of those who are innocently deceived.
