MORE EVIDENCE!

The "Philadelphia Saturday Gazette," the best Family Newspaper published in the United States, the editor says of

DR. HOOFLAND'S GERMAN BITTERS,

"It is seldom that we recommend what are termed
Patent Medicines to the confidence and patronage
of our readers; and, therefore, when we recommend
Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the
nostrums of the day, that are noised about for a brief
period, and then forgotten after they have done their
guilty race of mischief, but of a medicine long established, universally prized, and which has met the
hearty approval of the faculty itself;"
Evidence upon ovidence has been received (like
the foregoing) from all sections of the Union, the
ast three years, and the strongest testimony in its
favor is, that there is more of it used in the practice
of the regular physicians of Pbiladelphia, than all
other nostrums combined—a fact that can be easily
established, and fully proving that a scientific pre-DR. HOOFLAND'S GERMAN BITTERS,
