"Nevertheless, gentlemen, I desire to declare in
the most emphatic manner, that I hold these laws,
and especially that which provided for the adjustment of the controversy with Texas, to have been

cannot support such a man.

Again Daniel Webster has said in reference to the

empromise Measures:

"It was my conscientious belief, still unshakem ever since confirmed, that if the difficulty with Texas could not be amicably adjusted, there must, in all probability, have been civil war and civil bloodshed."

Therefore, as William F. Johnston has said boldly, that he would not liave voted for an amicable adjustment of these difficulties, HE WAS IN FAVOR OF CIVIL WAR AND CIVIL BLOODSHED. Freemen of Cumberland, can you support such a man, whose heart and soul are in open rebellion to the interests of the Union? You cannot, you will

The Washington Republic, the organ of the Whig party of the United States, says on this subject: "The Compromise, it is well known, is regarded by President Fillmore, as the best, if not the only means of restoring peace and quiet to the country, and muintaining inviolate the integrity of the Union."

Yet Gov. Johnston says he would not have voted for a nart of this Compromise, and therefore he was opposed to the RESTORATION OF PEACE AND QUIET TO THE COUNTRY. Such a man de. serves universal condemnation, and he will receive it on the 2d Tuesday of October: No man can receive the support of Pennsylvania who is not the tine and firm friend of the Compromise measures, and as W. decision given in accordance with the facts. In F. Johnston has shown his hostility to the measures, consideration of this being done, the North again he will be consigned to a political grave, while Col. solemnly covenanted to interpose no obstacles in the WILLIAM BIGLER, who is the firm and enthusiastic way of the master retaking his property to his own supporter of all of these measures, is entitled to the support of every Union loving man in this Common wealth, and will be rewarded by a triumphant and glorious election, and when the fight is over and the likely to runture our bond of Union, stands in the lastile won, the glad tidings will be heralded to the nature of a contract, and is to be viewed as totally North and the South, the East and the West, that PENNSYLVANIA IS TRUE TO THE UNION, THE CONSTITU-TION, AND THE COMPROMISE.

At a large Mass Meeting hold in the borough of Clarion, during the recent sitting of their County Court, the following resolution, endorsing the high character and competency of our Democratic candidate for Canal Commissioner, was adopted unani-mously, and is responded to by the Domocracy of Clarion county, without a dissenting voice. Look at it, ye truckling Whig tricksters, and bush you foul and slanderous allegations concerning his stand-ing at home, among the people where he is known

In addition to this, we have still another of the same sort, from the "Clarion Township Bigler Club," the district in which the General was born, where he grew up to be a man, a "common man," and led the life of a farmer, until he was twenty-one years of age. The meeting which passed this resolution was a very large one, and the resolution was passed

Look out for Lying Handbills.

We understand that the friends of Judge WATTS have it in contemplation to issue handbills on the eve of the election, containing vile and infamous alanders against Mr. GRAHAM.
