Virgin Farms for Sale.

THE WINCHESTER VA. LAND AGENCY.
J. A. BAKER & L. T. MOORE, having formed an Agency for the sale of Lands lying in all sections of Virginia and other States, are now prepared to offer for sale a number of very DESIRABLE FARMS, located in the fertile and most remarkably healthy valley of Virginia. A number of these farms are of the best Limestone Land, well improved, and convenient to Winchester, which place is celebrated as being the best four marts distant from the seaboard. This Agency possesses facilities for procuring all the best land for sale in this section of the country, and persons desiring to purchase a good farm, at moderate rates, can avoid much loss and an expensive expatriation through the country in search of a farm, by addressing them, post paid and getting one of the Agency's circulars, giving an accurate description, location, and price and conditions of payment of each farm they offer for sale. There is now residing in the county of Frederick, upwards of seventy families recently removed from various parts of Pennsylvania, and the Pennsylvania, instead of travelling into a strange land, may here find their friends and neighbors settled on the same valley which skirts from the Susquehanna through Maryland and Virginia, and terminates only in the sunny plains of Tennessee.
The Agents will use great precaution to see that titles to all lands they sell are good.
Persons desiring to purchase, or to examine, wishing to procure a good location in this section of country for transacting business, would do well to apply to this Agency.
