**Col.** John Bigler Triumphantly Elected Governor 1 Provious to the election in Pennsylvania, we had news from California giving us the informa-tion that Col; Johns Bratza had been elected Gov-ernor of that State. The Whig presses sneered at this, and pronounced it a "loce-foce tick," got up for the occasion, for effect in Pennsylvania. They danied that the Democrate had carried California, and assured their readers that "one Bigler had been laid out in California, and that another Big-ler would be served in a like manner by the people for the world.

Resouth Hung in Edigy. Kossenth Hung in Emgy-The authorities at Vienna, the seat of power of Austria, tried and condemned and subsequently ac-tually hung Louis Kossath in effigy, in the presence of a strong military detachment. This is a decided improvement on langing, and its general adoption would be a great gratification to criminals. But perioasly, this is one of the most ridiculous farces ever committed by haughty Austria. Sho had not the power to re-claim the galant Kosseulin and his companions, consequently they hung them in effigy.
