and our young friends appear determined to make and autumn. certain of at least one good sleigh ride.

TRIBUTE TO JUDGE WATTS .- The Herald, of yester-Court last week, a meeting of the members of the Bar was held, at which resolutions of a highly comimentary character to Judge WATTS were passed. The proceedings of the meeting have, however, no yet been furnished us for publication."

Sale of Valuable Property. We learn that the valuable property, long and fa vorably known as the "Carlisle Sulphur Springe" belonging to Mr. David Connnan, has been recently disposed of by that gentleman, for the sum of \$4000. Dr. A. C. Nonton, of this borough, was the purchaser. "The Springe" are situate in North Middleton township, about 4 miles north of Carlisle, on the Sterrett's Gap road, in a healthy and pictoresque neighborhood and have always been a favorite summer resort with invalids and others. We learn, also, that it is the intention of the new proprietor to have this property thoroughly repaired and beautified, and kept in such as cannot fail to attract to " The Springs." during the summer months, a host of visiters from every section of the country. We hope the Doctor may realize a handsome profit from this investment. Real Estate for Sale-

By a reference to our advertising columns, it will sale. The house and lot of Rev. Jacob Kaempffersituate in this borough, will be offered at public sale on Wednesday, the 10th of December next. The brick house, and lot of ground attached, the property of Reed's heirs, situate in the borough of Newville, estate of the late Sheriff Hoffer, part of which, a house and lot, is situate in Carlisle, and another part, consisting of 65 acres and 14 perches, in South Mid-Nathan Woods offers at private sale, his valuable limestone farm, in Dickinson township, containing 195 acres, 150 of which are cleared, with good imments, &cc. Here is a chance for those wishing to purchase real estate, either in town or country.

ernor until the lat of January.

gested by the managers of the Bank of England, to verdict for \$3000 damages, the amount laid in the tween that port and New Orleans, which will have ave trouble and risk to emigrants. Owing to the influx of specie from the United States, the banks in Landon have an abundant supply of American eagles should be a caution maken they could part with at the rate of \$484. 85 for to wag too freely. A PREENT WELL DESERVED.—A splendid service patch noise the election of Robert M'Clelland, of silver plate is in course of preparation at Mobile, Esq., formerly of Chambersburg, as Governor of the Roselly of an exchange, or the possibility of any the Nawark Daily Advertiser, writing from Rome, to be presented to William Smith, Secertary of the Michigan and the election of Formation of the Michigan and the election of Robert M'Clelland, of the possibility of any the Nawark Daily Advertiser, writing from Rome, to be presented to William Smith, Secertary of the Michigan and the election of Formation at Mobile, and the election of Robert M'Clelland, of the patch in desiption being-practised upon him as to current says Bishop Hughes is to wear the Scarlet Cap after British Consul at Havens, in consideration of his Michigan; and the election of Enwand Johnston, value of fellness in weight, while, at the same time, all. The important fact was made known on the kind and humane attention to the American prisoners Eq., formerly of Westmoreland, and a brother of the waste labor of melting and recoinage would be 10th instant, so that the effect of his visit to the Holy taken with Lopes, while they were in prison at Ha-saved in the respective countries.

Governor Johnston, as one of the Supreme Bench vans.

OUR BOROUGH .-- IMPROVEMENTS.

agoring work is very scarce, almost all the necessaring of life are selling at a very high rate. In our market, 20 and 25 cents per pound have been paid for builting 16 can specification better calculated to influe into the popular market, 20 and 25 cents per pound have been paid for builting 16 can specification better calculated to influe into the popular market, 20 and 25 cents per pound have been paid for builting 16 can specification better calculated to influe into the popular market, 20 and 25 cents per pound have been paid for builting 16 can specification better calculated to influe into the popular market, 20 and 25 cents per pound have been paid for builting 16 can specificate the proportions, and the articles in proportion. If these prices continue for any length of time, 60 delp the poor I work of time, 60 delp the poor I would be read to the contractors, and the calculated to influe and the rapidity will wish which it has been pushed to the contractors, and the calculated to influe time, 5 were delegated to the poor time of the contractors, and the calculated to influence of the proportions, and the calculated to influence of the contractors, and the calc heart's content. Since the fall of the snow, the sleigh smaller houses, and several very pretty brick and monwealths it was first tried as an experiment merely; bells have been ringing an incessant and merry peal. frame stables, &c., erected during the past summer but wherever introduced it has made good its footing.

story brick school house, designed to accommodate

dency to forget the home of young.

Besides these improvements, the authorities of the borrough have also performed their share in the way of beautifying the streets and adding to the conversiones of our citizens. Several sections of streets have been graded, and many unsightly and dangerous guilles filled ap. The Council hav, by an ordinance, compelled property holders to lay down good and sufficient side walks, and we are glad to perceive that many of them have complied with the requirements of this ordinance, and slready quite a number of og ob hick pseuments have been laid down. Next pering, we feel confident, there will be many more side walks made, and then, and not till then, will we was a large of the first and of the stigma which strangers have so often and of the stigma which strangers have so often and of the stigma which strangers have so often and adding to the content this, by bringing together the contents of the Mediterrancan, is 1,000 feet deep, the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan, is 1,000 feet deep, the level of the Mediterrancan is the level of the Mediterrancan, is 1,000 feet deep, the leve wo of our public schools. persons from a distance remark, that "Carlisle, alhough a very pretty town, had the meanest pavements in the State !" We must at once get rid of so The Ledger says :- " The proceedings will be watchnjurious and mortifying a reproach.

be seen that some very desirable properties are in the us to chronicle these evidences of improvement; and the Baltimore Sun, that Mr. Bront, in the present market to be disposed of, both at public and private trust that ere another year rolls round, we may be posture of affairs, will attend the trials as a representation of the State of Marvland, but simply to ouildings we have now enumerated.

on Friday, the 12th day of Desember next; the real the nanural advantages she has. Capital is plenty with the responsibility, which they conceived to in the borough and vicinity; our water power is un- with the United States. Gov.
