THEIR power over the above diseases is not equalled, if equaled, by any other preparation in the United States, as the cure attests, in many cases after skillful physicians had failed.  
These Bitters are worthy the attention of Invalids. Possessing great virtues in the rectification of diseases of the Liver and Lesser glands, exercising the most searching powers in weaknesses and affections of the digestive organs, they are, without fail, certain and pleasant.  
**READ AND BE CONVINCED.**  
[From the "Boston Bee."]  
"Dr. Hoofland's Celebrated German Bitter," for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, &c., is deservedly one of the most popular Medicines of the day. "These Bitters have been used by thousands, and a friend of my fellow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy." "I am speaking from my own experience, and to the afflicted we advise their use."  
[From Scott's Weekly.]  
"Dr. Hoofland's German Bitter," manufactured by Dr. Jackson, is now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health. As we know from experience the salutary effect that they have upon weak systems."  
[From the N. Y. Weekly Messenger, Jan. 6, 1850.]  
"Dr. Hoofland's German Bitter."—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made under the supervision furnished by one of the most celebrated physicians of modern times, the late Dr. Christopher Wilhelm Hoofland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of quackery, and therefore a medicine of which he was the inventor and endorser, may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation, and all complaints arising from a disordered condition of the stomach, the Liver, and the intestines.  
**MORE EVIDENCE!**  
The "Philadelphia Saturday Gazette," the best Family Newspaper published in the United States, the editor says of  
**DR. HOOFLAND'S GERMAN BITTERS,**  
"It is a medicine that we recommend what is termed Patent Medicines, the confidence and patronage of our readers; and, therefore, we recommend Dr. Hoofland's German Bitter, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period, and then forgotten after they have done their quick race of mischief, but of a medicine long established, universally tried, and which has met the hearty approval of the faculty itself."  
Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor is, that there is more of it used in the practice of the regular physicians of Philadelphia, than all other nostrums combined—a fact that can be easily established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.  
That this Medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it a direct. It acts specifically upon the stomach and liver. It is preferable to colicem in all bilious diseases; the effect is immediate. They can be administered to female or infant with safety and reliable benefit, at any time.  
**BEWARE OF COUNTERFEITS.**  
This Medicine has attained that high character which is necessary for all medicines to attain, to induce counterfeits to put forth a spurious article at the risk of the lives of those who are innocently deceived.  
Look well to the marks of the Genuine!—They have the written signature of C. W. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious.
