Scorris Hotel, at the same hour and for the same purpose. It is hoped that a general attendance will be given. Carlialey January 1, 1852.

Standing Committee Meeting. Agrambly to notice given, the Democratic Stand. Committee of Cumberland county, met at the

Monday, the 22d day of December, 1851. On motion, JOHN HUSTON, of Dickinson town ship, was called to the Chair, and SAMUEL WETZEL, of Carliale, appointed Secretary. The following re-

colutions were then offered, and unanimously agreed

SAMUEL WETERL, Secretary The necessary absence of the Editor must be

county, in order to pay their respects to the new

Oarnaus' Court.-An Orphans' Court for Cum BURN and John Rupp, Esqua., Associate Judges, took seats on the bench for the first time. The new Judidial officers were quite "at home" in their prosent stations, and appeared to wear their "blushing honors" with a modest grace.

ADMITTED TO PRACTICE. - In the Orphans' Court yesterday morning, the 31st ult., on motion of Wir H. Miller, Esq., James Agnew, Esq., was admitted to practice law in the several Courts of Cumberland

We are gratified to learn that our young friend passed a very creditable and satisfactory examination Mr. Adarw is a young gentleman of fine talents, a call and relaid with new iron, the trip from F and pleasing speaker, and possessed of great energy of character. He has every element within himself to make an able and successful lawyer. We

The Parss in France.—Louis Napoleon is considered. wish him every success in the profession which he has adopted.

CTCHRISTMAS DAY, in this borough, passed off it very quiet and orderly manner. There was little or ne excitement observable to indicate that " merry Christmas" had really come. The children, however seemed determined not " to give it up so," and they showed their smiling faces at every corner, with their arms filled with cakes, fruits, &c. &c. They eccordingly made the most of it.

wish to our friends and patrons a happy and cheerful and abundance, and we trust that the sun of peace appeal to universal suffrage of all moral weight. The and passportly may continue to shed its benigant correspondents of the English journals manage, how. hard won-victories of Napoleon, is announced in the rays open them. Our country is blessed above all ever, to give some of the most interesting details of the countries. We are the only people in the world other countries. We are the only people in the world the progress of events in France. It is through this year as the Emperor Napoleon, the Duke of Wellington, George Cuvier, Chatcaubriand, and Walter mild as a spring morning, for the isyncet south' came the country. is the only Republic upon earth worthy of the name. is received. For the many blessings and privileges vouchsafed us, we sheald feel grateful to the Most High; and our great effort should be to transmit these blessings unimpaired to our remotest posterity.

France, when she lent form our duty, we shall deserve the reproach and occur in to day's paper, as well as for the lack of arms and money to aid American revolt, wanted a scorn of the world. Our course is plate, and should war with England; and by so doing she got it. She be pursued without deviation. We must look at home, on fire, but were in serior last week in stating that the inauguration of Col. William Biolega, as Governor land, always fond of war, never resorts to it to redress cordance with the principles upon which it was Penniylvania, would take place on the 3d Monday the Grongs of others. Yet some "Hotspura" want founded. We must exercise eternal vigitines if we five killed, by falling walls, &c. of January. It will take place on the third Tuesday the United States to fight the battles of all Europe, of January. It is expected that the inauguration will at a distance of thousands of miles! Absurd. Have above all, we must not inflate ourselver with the be a very brilliant affair; and hundreds of Democrats, they ever counted the cost of maintaining an army have not, they should sit down at once and figure it up. Perhaps the sum would startle them a little.

> RAILROAD IMPROVEMENTS .- Contracts have been ville, one mile west of Lancaster, to Harrisburg, a in the United States. When this improvement is made, and the Columbia railroad shall be straightened and relaid with new iron, the trip from Phila- into two contending factions. delphia to Harrisburg, can be made in three and :

THE PARSS IN FRANCE.-Louis Napoleon is deterthroughout, and he has put a complete gag upon the press, not only of Paris, but of foreign journals. A dozen of the journals of Paris have been suspended. Those that still appear dare not utter one word of unfavorable discussion as to the measures of government. The English papers are forbidden to enter France-their correspondents ordered to leave France immediately. All English papers are stopped at the know that "Christmas comes but once a year," and post office, and only delivered to their address in case they contain no matter unpalatable to the powers that be. This forced silence of the press, and gagging and make a longer stay both in Baltimore and Wash-This is the first day of the year 1852, and we of public opinion, and pressure of the military arm upon France at this particular juncture, will, it is to year. May they be blessed with health, contentment | be apprehended, deprive the result of the President's nd abundance, and we trust that the sun of peace appeal to universal suffrage of all moral weight.
