Odds and Buds.

to do as good a lurn for you!"" ... Summarks is reported to have once fallen into a coal cellar, on his way homo, after a good supper at Drury Lane, and his abuse of the vender for not keeping a light at the cellar door was warmly retorted by the wife. "Hang it," cried Sheridan, who was not much hurt, "do you think I want to pocket your coals ?" "No," retorted the wife, " but your nose may set the coals on fire:"

What the Scotch LADY WANTED.—A Scotch lady entered a store in Boston, and inquired for a table cloth of a dambroad pattern, "Wo have some preity broad," was the roply of the astonished salesman, what note so broad as that." The lady explained that dambroad was the Scotch term for chequered mittern.

A thirding matrix, on being cast away on a deso-late shand, lived six months without any other, food then that which he derived from " cutting pigeon wings," and stewing them. Here's a hint worth taking to see. If learning to dance will prevent you from shuffing off this month coil, it is the duty of every man and woman to grow wise in cotillions.

How TO GET & HUSBAND .- The following is the now to use a history and the index of the last is certainly good, but the fish are not always to be sught: "Invite a hice young man to tea, sat him a laughing, every five minutes during the evening, let him have six kisses, and you'll be his wife after twenty similar operations."

A Trackonsan, who was exhibiting some stored relics and other curiosities, produced, among other things, a sword, which he assured his visitors was "de sword dat Balaam had when ho would kill do ass." A speciator remarked that Balaam had no sword, but only wished for onc. "Ver well; dis is der one he wish for."

Tax Popular Assembly of the Hunsatic Republic

Trix Popular Assembly of the Hansatic Republic composed of the free towns of Hamburg, Bromen and should be prepared, with a suitable inscription, and ferwarded to the United States, to be placed in the Washington National Monument. It is said that the Senate will sanction this noble act of the Assembly. A constored dath took place recently in France. A gentleman, who was brother of a man of high politi-cal eminence, had a habit of drinking freely at his finner, and assending afterwards to the top of the house, where he would sit against the chimney; and stiting out of sight of any one, upon the tiles of the study of sight of any one, upon the tiles of the study of the fine the sense of the sense of the sense of the fine the sense of the study of sight of any one, upon the tiles of the study of sight of any one, upon the tiles of the study of sight of any one, upon the tiles of the study of the sense of the study of sight of any one, upon the tiles of the study of sight of any one, upon the tiles of the study of the sense of the

In a remote part of Bavaris, Bayard Taylor stopped for breakfast at an inn, where there was a young man who was to start the next morning, an emigrant, to New York. They plied our friend with questione; but what most troubled the youth's father, "was the fact, be had heard, that no one was allowed to sit down in an American inn, but each one must drink his bar standing, and immediately walk out."

... Wir loses its respect with the good when seen in company with malice; and to smile at the jest which plants a thorn in another's breast; is to become a principal in the mischief.

Vorranke was at table one day, when the company ware conversion on the antiquity of the world. His opinion being asked, he said, "The world is like an old coqueite, who disguises her ago."

The man who thought he could coax a lawye o "take a dollar less," is now trying to set fire to an icoberg with a elgar.

Track for, in certain heads, a kind of established errors, against which reason has no weapons. There are more of these mere assertions current than one would believe. Men are very fond of proving their steadfast adherence to nonsense.

"In "Let as wise man hold himself aluof from gov-erains, for it is implous to withdraw from doing good to those who need us, and it is ignoble to yield to the workhess. It is moreover, foolish to choose being ruled badly rather than to rule well.

SHAWLS! SHAWLS! ! SHAWLS! SHAWLS! ! Bay State long and square Shawls in onlices variety, well bearned by dancing with her, as by conversing with her at home in all the varied circumstances of somestic life, All women may be good when pleased, bat she is most likely to be a really good woman who wans no fiddle to sweeten her.

THE INTRIECT was created, not to receive passive ly a few words, dates, and facts, but to be active for the acquisition of trath. Accordingly, education should labor to inspire a profound love of truth, and to teach the process of investigation.

Ornza feelings grow cold—other memories pass way; but the gentle image of the mother, who has watched our childhood, her love, her tenderness, her nuwsaried devotion, will forever be mirrored on the numan heart.

Two expect the following is somewhat at va-riance with the opinion of men in general: Here, printor, take this silver money, And I'll send more before you dun me; Tor the worst of all life's ills, the is to be duaned for printer's bills.

CHRISTOPHER NORTH says, it is no wonder wome love cats, for both are graceful and both are domestic -not to mention that they both acratch!

A Mooran Famer's Wirz-A young lady recently which is sold at the corner of Main street and Mar bot Shawls and Scarfs of various sizes, embracing C all the fashionable colors such as Orango, Scarlet, to which is interrogated her milk maid: "By-the-when she thus interrogated her milk maid: "By-the-Winter Clothing than they need, as my Garments GEO.
