New Jarr. - The Grand Jury for Cumberland county having at the April term reported in favor of iail the Commissioners of the county will soon take steps for its erection. A new jail is also lutely necessary, and we have, on many occasions recommend the building of one through the columns of our paper. The present jail is a miserablele old at hole—a disgrace to the county, and entirely unfit for use.

Town Conneil of the Borough of Carlisle, to the to the top of the hill, expecting to hear some tall Court of Quarter Sessions, asking that the provisions swearing, when the true condition of matters was of the general borough law might be made applicae to Carlisle, was granted by the court last week. magnitude of the loss, that he calmly remarked, Good. The authorities will now be enabled to carry "gentlemen, I cannot do justice to the subject." out the measures they adopt. Those who were so very active in misrepresenting the Town Council, has been particularly reckless and corrupt. Who and who took the trouble to get up a remonstrance would of believed that any Legislature on the face against the application, have been convinced, we of the earth could have the impudence, recklessness hope, that their blustering had not much weight with the court.

RAIN.-We have had nothing but rain for a month past, except one or two chance days, when we would catch a sight of the sun, and enjoy a fine balmy spring age of these bank bills, are sound, honest, democratically, which only had the effect of making us detest and unanswerable. In the language of a contempothe bad, and sigh for the good days coming. To rary, the evits of a losse, and unrestricted Banking quote the language of a city editor, learned in the weather, "in such a spring, nothing can thrive but

young dacks, and they ain't batched yet."

CARLISLE DEPOSITE BANK The bill which had passed the two Houses of eleven other bank bills, all of which, with a single in its stead, which may be worth as much

That a very large majority of the people of the position of all parties, desired that this privilege should be granted the Carliste Deposite Bank, every one conversant with the sentiment of our cultisens with a money are annoyed, with the foreign notes that private and the foreign notes that private and the special special to do a safe in circulation in our midst; and, as the bank is already here, with a necessary capital to do a safe business, it was generally admitted that we might as well have our own paper as a circulating measured in the state, says the Keystene, as well have our own paper as a circulating measured in the state, says the Keystene, as well have our own paper as a circulating measured in the state, says the Keystene, as well have our own paper as a circulating measured that we might as well have our own paper as a circulating measured that we might as well have our own paper as a circulating measured that we might as well have our own paper as a circulating measured that we might as well have our own paper as a circulating measured that we might in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any measure that pays in market." ready to favor any me That a very large majority of the people of this who believe that no increase of Banking capital at county, embracing men of all parties, desired that present is needed. THE BARK LITTER STRANGLED.

THE LEGISLATURE.

No day has yet been named for the final adjournment of that motley body, the Legislature. It is thought, however, that about the second wesk of thought, however, that about the second wesk of the final some to allow the present memorable session will come to a loss of the best of the final some to the final some to a loss of the best of the final some to a loss of the best of the final some to a loss of the session will come to a some law, by which members were allowed but haif pay after the expiration of one hundred days. Thus a former law is put at definance, and each member will receive full pay to the end of the session, or about \$30 more than he is entitled to. This is a decidedly little business, and a dishonest business. For the honor of Cumberland county, we are happy to be able to sate that both Mr. Bonham and Mr. Henderson vote state that both Mr. Bonham a

because of the infamous character of many meas-bells, is, to our mind, a contradiction of the principles ures that have been adopted. We sincerely hope that those who were elected as Democrats, but who guments of his message. Had he signed these eleven bank bills, it would have added to the present bank. they deserve. Such men are a curse to any party ing capital of the State an aggregate sum of \$1,550, bille that have passed this Democratic Legislature! and thus swell the present amount of our paper cir 000, or over ten per cent. on the capital now in use culation to the extent of four or five millions

The Harrisburg Unsen, in speaking on this subject says, with much truth. "that the evils of an enormous paper expansion are ton fresh in the recollection of honor of the State and the interest of the people at Prior to the year 1836, the banking capital of Pennthe people of Pennsylvania to be lightly regarded. heart. From the first week of the session of the sylvania ranged about fifteen millions of dollars. colebrated During the in writing voto messages. It is a humiliating fact Ritner, the United States Bank was incorporated by that this Democratic Legislature has forced the the Legislature of Pennsylvania—the capital of the that this Democratic Legislature has forced the Governor to occupy his whole time in preparing Girard Bank was increased from one million to four millions-the capital of some other Philadelphia banks was increased, and several new institutions chartered, so that the bank reports of 1838 showed a banking capital in this State of over fifty-nir

millions. or produce rose to a high point. The banks were of the Banks in least the corporations, thus permaturing stimulating enterprises of this kind. In addition to this, the Bank of the United States (Girrd, and some other of the Philadelphia Banks invested large amounts in the Mississippi and other bubbles, that had no vitality. In a very short time a reaction took place—the Mississippi bubbles all burst—many of the railroad and the was postponed.

Bank at their head, went out of existence entirely—all the banks were greatly embarrassed, and most of the most with beave least of the Banks, were greatly embarrassed, and most of the most with beave least of the Banks, were greatly embarrassed, and most of the most with beave least of the Banks, were greatly embarrassed, and most of the land for the Libration of the Danks were greatly embarrassed, and most of the United States and those are considered to the part of the Banks, with the Upited States Banks at their head, went out of existence entirely—all the banks were greatly embarrassed, and most of the most with beave least of the state of the most with beave least the properties and thour some other of the most with beave least the properties and thours and the properties and thours and the properties and thours and the properties and properties and properties and properties and properties and p The effect of this expansion of capital was so lowed. Several of the Banks, with the Upited States
Bank at their head, went out of existence entirely—
all the banks were greatly embarrassed, and most of them met with heavy losses—and in the year like Mechanics Saving Institution, to be located at large that the bank tables show that the banking capital literature of the mechanics is a method of the method of t of the State was again down to fifteen millions, just about the point at which it atood prior to the incorering from the calamities which overtook them in 1641. Most of them have made up their lesses, and the banking capital of the State at this time ranges at about nineteen millions of dollars. The money market is now more easy than it has been for several years, and there is a great disposition, such as provailed throughout the country of 1840.

Bank at Pottatown.—On motion of Mr. Harris, the bill to incorporate the Bank of Pottstown, in ulation, such as provailed throughout the country of 1840.

Bank at Pottatown.—On motion of Mr. Fretze of the country of the same answer.

Montgoinery county, was taken up, read twice and passed finally—years and there is a great disposition.

The youth went away, and the party, he travelled with was assaulted by robbers. One fellow asked the boy what he had got, and he said, "furly distributions and the party he travelled with was assaulted by robbers. One fellow asked the boy what he had got, and he said, "furly distributions and the party he travelled with was assaulted by robbers. One fellow asked the boy what he had got, and he said, "furly distributions are seved up in my garments." He laughted thinking he jested. Another asked the same answer.

At last the other called him and asked him the life of the called
