The merchant who does business on the cash principle has quick returns, and consequently can purchase his Goods to better advantage and sell at smaller profits than he who sells on time and has to make his paying customers pay the losses on the credit system. Buyers consider well this fact before you purchase. Farmers, mechanics, laboring men and others, awake to your interests and free yourselves of the enormous tax under which you have been and are still laboring. This you can do by purchasing your Goods at the choap cash store of the subscriber, at the old stand in South Hanover street, near Scott's het. 1.
