GLAD TO HEAR IT. - We are rejuiced to learn that our friend Sanson, the able editor of the "Fulton Democrat," has been elected Treasurer of Fulton county. A most unrighteous war was waged against him; and we had our fears that he might be defeated but in this we have been agreeably disappointed -

The following is a complete list of the new election. support of the party. Shaver had submitted his name the County Convention for the nomination, and as an henorable man, was bound to abide the decision of that Convention. But this he did not do, but an nounced himself a volunteer candidate. He has, by the sid of Federalism, been elected, but there is a honor attached to an election procured in this manner. A man who will submit his name to a County Convention, and then turn round and put the action f the Convention at defiance, is unworthy the con fidence or even the respect of either party.

THE RESULT IN THIS COUNTY.

In to-day's paper will be found the official returns for this county, by which it will be seen that the whole Democratic ticket is elected, with the exception o Dr. Day, for Assembly, and Canorness, the candidste for Sheriff. 🗅

The opposition to Dr. Day was, in a great meat ure, owing to the position he booupied in regard to the Maine Liquor Law. Many opposed him because they supposed him favorable to that measure; and the friends of the Maine Law-or at least a great the triends of the Maine Law—or at least a great many of them—were equally hostile to him because of his recent letter on that subject, in which be pledged himself, in the event of his election, to ep-pose the Maine Liquor law if it came before the legislature. Previous to the publication of his etter on the subject, he had the active support of great number of temperance men, but they nearly ill left him after the publication of his letter. Thus be was placed between two fires. As Gen. Scot would say, he had "a fire in front," and a "fire in his roar." We regret the defeat of Dr. DAY, for we bave always considered him a high-minded and hon orable man, who would have made a most efficien

and valuable member of Assembly.

In regard to Mr. Carotters' defeat, a reference to the returns will show where the opposition came from. The same miserable faction that defeated our ticket last fall, have gained unother "victory" in the election of a Whig Sheriff. From the very day Carothers was nominated to the closing of the polls, be received the fierce opposition of a faction of men the profess to be Democrate, but who prove the beautiful and profess to be Democrate but who prove the population of the be received the fierce opposition of a faction of men who profess to be Democrats, but who never fail at any election, to vote for the Whig candidates. Every thing that could be done, was resorted to against to every tewaship—the grey nags, with their heavy load, were on the go, day in and day out, for a month before the election—"Pierce meetings" were held in the "Burnt District," to which the Whig candidates were invited, that they might assist to concoct treason against the Democratic ticked—every thing indeed that malice could invent was brought to bear against Mr. Carothers. And after fields of the forts of this faction against him, he is defeated by only 167 votes! Mr. Carothers has been defeated, but he has the proud consolation to know! Carothers are first of the year of the carpy, was the battle cry of Federal is more run one end of the Column it so far lo the rear that it has not been heard of yet! Weight once. yielded him a cordial and united support.

Democrats of Cumberland, you made a good fight on the 12th of October. Let the true men of the party stand firm to their posts, and old Mother Cumperland will give a majority of at least 300 fo PIERCE and KING.

Behold the Figures!

The Democratic majority for the State Ticket in good old PENNSYLVANIA will be

In OHIO the Democratic majority for the State

18.000 !

And in INDÍANA, WRIGHT, the Democratic candidate for Governor, is elected by a mojority of

15,000!

The result in these great States clearly shows will sweep the Union like a tornage in rivrumber?

Great Victory In Ohio ?

Ohio has done even better than Pennsylvania. In thirty counties, the Democratic State Ticket shows a gain of 2200 votes on Cass's majority in 1848 The Democratic majetity in the State will probably reach 20,000. It is thought that fourteen Democratic Congressmen, out of the Delegation of twenty-Columbus, Obio, notices a vile trick played upon one, have been elected. THE STATE LEGISLATURE.

The following tables are believed to be correct.—
The Democrate have gained a Senator in Bucks county, and test one in Schuylkill, and one in Montgomery, owing to local disputes. This result gives the Whigs a majority of 2 in the Senate, without the Whigs a majority of 2 in the Senate, without the Mative member from Philadelphia county, who voted with them last session.
