the feelings of the girl that she sought consolation in the poisoned cup.

terprise, says, that the Hon. W. R. King, strived at his residence in that county some few weeks since. We understand that his bealth has been stored to fate, Nov. 14, says that George Fackran, the overseer of it contained powder only, and fired to frighten him to pay the interest. so much so that he fas been elmost entirely confined a tobacco factory in that city, shot at and mortally away, as he was in the habit of coming to annoy to his home.
