Storrs' Chemical Hair Invigorator
ARE YOU BALD? Is your hair falling off or becoming thin? Do you feel that your hair is becoming thin and that your head is becoming bald? Do you feel that your hair is becoming thin and that your head is becoming bald? Do you feel that your hair is becoming thin and that your head is becoming bald?
Mr. STORRS.—Dear Sir: Mr. Smith, of Newton, L., obtained a bottle of your excellent Hair Invigorator for his little girl, about four years old, her head being entirely bald; no hair of any consequence having grown on her head for about a month, and expressing as it may appear, after having used but one bottle, a complete head of hair was produced nearly two inches long of a fine healthy growth.
The following testimony is from Mr. McLaughlin, editor of the "Saturday Courier":
"STORRS' HAIR INVIGORATOR.—It gives us much pleasure, unobscured by any of our friends, in favor of the great pleasantness and entire efficacy of Storrs' Chemical Hair Invigorator. On recovering from the recent severe attack of illness, we discovered that our usual healthy and abundant crop of hair was rapidly falling off, and changing have on hand a sample of the above article furnished by the manufacturer many months previously, we used but a single bottle, as directed, and found it to operate like a charm, in entirely checking the fall and creating a new and healthy growth of the scalp."
We could refer you to many of our friends, to some of our most respectable citizens, but would ask all who are troubled with Dandruff, or bald, or are losing their hair, to give Storrs' Chemical Hair Invigorator a trial, and one trial will demonstrate to convince you of our claims for its efficacy. We are confident that you will be pleased to receive our testimonial of others that we might produce.
Caution.—Ask for "Storrs' Chemical Hair Invigorator," and never let dealers persuade you to use any other article as a substitute. Price 25 cents a bottle.
