MARRIAGE, HAPPINESS AND COMPETENCE.
WHY NOT?
That we hold many errors, more in the marriage of life than in any other, is a fact which is daily proving itself. It is not in the choice of a wife, but in the choice of a husband, that the greatest number of errors are committed. HATS AND CAPS: Spring Styles!
W. M. H. TROUT has just received and opened the Spring Style of Hats for 1853, an elegant article, to which he invites the attention of the public. His Hats are all of prime, from the most elegantly finished to the cheap common article, and of every variety of style now worn. He continues to manufacture and keep always on hand a full assortment of HATS and CAPS for men and boys, and he can sell cheaper and better articles than any other establishment in town. These in want of good, well made and elegantly finished Hats, would do well to call before purchasing elsewhere.
The attention of citizens and strangers is particularly invited to the beautiful Spring Style of Hats just received, a really handsome article, and warranted to be just as good as it is neat and tasteful in appearance.
Remember that the largest and best assortment in town may always be found at TROUT'S, *Trine's Row, rear of the Episcopal Church.*
