MARRIAGE,

HAPPINESS AND COMPETENCE.

WHY IS IT?

That we behold many females, scarce in the meridian of life broken in health and spirits with a complication of diseases and ailments, depriving them of the power for the enjoyment of life at an age when physical health, buoyancy of spirits, and happy serenity of mind, arising from a condition of health, should be predominant.

Many of the *causes* of her sufferings at first—perhaps years before, perhaps during girlhood, or the first years of marriage—were in their origin so light as to pass unnoticed, and of course neglected.

IN AFTER YEARS,

When too late to be benefitted by our knowledge, we look back and mourn, and regret the full consequences of our ignorance.

What would we not often give to possess, in early life, the knowledge we obtain in after years! And what days and nights of anguish we might not have been spared, if the knowledge was timely possessed. It is

MELANCHOLY AND STARTLING

To behold the sickness and suffering endured by many a wife for many years, from causes simple and controllable, easily remedied—or better still,—not incurred, if every

WIFE AND MOTHER

Possessed the information contained in a little volume, (with in the reach of all) which would spare to herself

YEARS OF MISERY,

And to her husband the constant toil and anxiety of mind, necessarily devolving upon him from sickness of the wife, without giving him the opportunity of acquiring that competence which his exertions are entitled, and the possession of which would secure the happiness of himself, wife, and children.

SECURE THE MEANS OF HAPPINESS

By becoming in time possessed of the knowledge, the want of which has caused the sickness and poverty of thousands.

In view of such consequences, no wife or mother is excusable if she neglect to avail herself of that knowledge in respect to herself, which would spare her much suffering, be the means of happiness and prosperity to her husband, and confer upon her children that blessing above all price—healthy bodies, with healthy minds. That knowledge is contained in a little work entitled

THE MARRIED WOMAN'S Private Medical Companion.

PROFESSOR OF DISEASES OF WOMEN.

should have been sold.

It is impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married, or those contemplating marriage, but no female desirous of enjoying health, and that beauty, consequent upon health, which is so conducive to her own happiness, and that of her husband, but either has or will obtain it, as has or will every husband who has the love and affection of his wife at heart, or that of his own pecuniary improvement.

Storrs' Chemical Hair Invigorator

ARE YOU BALD? Is your hair falling off? Or is your head covered with Dandruff or Scruff? If so, then make a fair trial of Storrs' Chemical Hair Invigorator. Hundreds of persons in all parts of the country whose heads were entirely bald, have had their hair fully restored to its original perfection by the use of this valuable article.—Read the testimony.

New York, Jan. 1, 1851.

Mr. STORRS.—Dear Sir: Mr. Smith, of Newton, L. I., obtained a bottle of your excellent Hair Invigorator for his little girl, about four years old, her head being entirely bald; no hair of any consequence having grown on her head from birth, and surprising as it may appear, after having used but one bottle, a complete head of hair was produced nearly two inches long of a fine healthy growth.

A. DOOLITTLE, M. O. No. 141, Grand St.

PHILADELPHIA, May 10, 1850.

Mr. STORRS—Sir: After being bald for a number of years, and having used numerous preparations to no effect, your Chemical Hair Invigorator has produced a fine head of new hair, and I hardly know how to express my gratitude for the benefit I have received from your valuable article.

J. WADSWORTH, No. 10, Orchard st.

The following testimony is from Mr. McMakin editor of the "Saturday Courier:"

"STORRS' HAIR INVIGORATOR.—It gives us much pleasure, unsolicited, to record our testimony in favor of the great pleasantness and entire efficacy of Storrs' Chemical Hair Invigorator. On recovering from the recent severe attack of illness, we discovered that our usual healthy and abundant crop of hair was rapidly falling off, and chancing to have on hand a sample of the above article furnished by the manufacturer many months previously, we used but a single bottle, as directed, and found it to operate like a charm, in entirely checking the fall and creating a new and healthy action of the scalp."

We could give many other references to some of our most respectable citizens, but would ask all who are troubled with Dandruff, are bald, or are losing their hair, to give Storrs' Chemical Hair Invigorator a trial, and one trial will do more to convince you of our claims for it than all the testimony of others that we might produce.

CAUTION.—Ask for "Storr's Chemical Hair Invigorator," and never let dealers persuade you to use any other article as a substitute. Price 25 cents a bottle.
