MOST STARTLING CONSIDERATIONS! Reflections for the Thoughtful.

Strange that countiess human beings exist and drag through life as do the beasts of the field, or the insects of the earth, evineing no more thought or reflection than though the noble faculties of mind were not vouchasfed to them.

Many such are husbands and fathers, upon whom are dependent the health, the well-being, and the happiness of a confiding and affectionate wife, with perhaps a family of children.

Sometimes this deplerable change may and does arise from organic or constitutional causes.
