MOST STARTLING CONSIDERATIONS!

Reflections for the Thoughtful.

Strange that counties human being exist and drag through life as do the beasts of the field, or the insects of the earth, evineing no more thought or reduction than though the noble faculties of mind were not vonchafadd to them. Many such are humands and fathers, upon whom are dependent the health, the well-being, and the happiness of a confiding and affectionate wife, with perhaps a family of children.

NOW OFTEN IT HAPPENS THAT THE
