THE MARRIAGE STATE; hall Happiness and Health, or Misery and Sickness, attend it ?

MOST STARTLING CONSIDERATIONS!

Reflections for the Thoughtful.

Strange that countless human beings exist and drag through life as do the beasts of the field, or the insects of the carth, orincing no more thought or reflection than though the noble faculties of mind were not vouchasfed to them. Many such are husbands and fathers, upon whom are dependent the health, the well-being, and the happiness of a confiding and affectionate wife, with perhaps a family of children.

Thus, day after day, and month after month tranpire. Her health daily sinks, till finally even the

HOW OFTEN IT HAPPENS THAT THE

THE BLOOMING BRIDE,

But a few years ago in the flush of health and youth, and buoyanoy of spirits, rapidly, and appearently inexplicably, becomes a feeble, sickly, de-bilitated wife, with frame emaciated, nerves un-strung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and mental prestration.

Sometimes this deplorable change may and does arise from organic or constitutional causes. But oftener, by far oftener, to gross and inexcusable ignorance of the simplest and plainest rules of beatth as connected with the marriage state, the riolation of which entails disease, suffering and misery, not only to the wife, but often
