To the Honorable Judges of the Court of Cumberland County.

The undersigned, two of the committee appointed by the Court, to visit, examine and report upon the condition and management of the Poor House of this county, would respectfully state that they have attended to the duty assigned them, and are much gratified in being able to say that the Establishment, in all its different apartments, presented a degree of neatness and comfort highly creditable to those under whose management and direction it is. The inmates presented that happy appearance which is always characteristic of a contented mind. The sick are attended by the regular physician, and provided with kind and attentive nursing. Those who are able to labor are employed in the house or on the farm. Children who are born in the house or brought there, receive that kind attention which humanity suggests until they are old enough to be put out to service. The number of Paupers registered on the Books of the Institution on the 1st of November, 1853, was one hundred and one, the number admitted since is one hundred and ninety-two, together with twelve out door paupers, making in all three hundred and fifty provided for during the year. Of these, one hundred and fifty-nine have been discharged, fourteen died, and six have out leaving the number in the House on the 1st of November, 1853, one hundred and twenty-six. In addition to the above, two hundred and eighty four transient Paupers have been admitted and their wants supplied. In conclusion we would say that our opinion is that all who are connected in the management of the Institution have faithfully performed their respective duties. Respectfully, &c. HENRY SAXTON, M. G. EGE. Now, to wit: 19th November, 1853. Directed to be filed and a copy furnished the different Editors in Carlisle for publication.

Peterson's Magazine.

100,000 Copies Monthly in 1854! THE immense success of this Magazine in 1853, assures for it at the same rate of increase, a monthly circulation of 100,000 in 1854, especially in the winter paper, new type, more reading matter, greater beauty of embellishments, &c. Its Literary Character Unrivaled. No other Periodical publishes such thrilling tales or such capital stories of real life, the most eminent American American writers in its department being engaged to contribute to its pages. At their head is Mrs. Ann S. Stephens, the editor, whose talents, ability and power and beauty—Morality and virtue are always inculcated. The Newspaper Press and the Ladies unite to promote this, the most readable of Magazines. It is also the only original one of its class—the only one thoroughly American. Its Magnificent Embellishments. Its illustrations excel those of any other Magazine, each number containing one or more Steel Engravings, either mezzotint or fine, besides the Fashion Plates; and, in addition, numerous wood cuts. The Engravings, at the end of the year, stand out like the subscription price. Colored Fashion Plates in Advance. These Plates are engraved superbly on Steel, from patterns received in advance. A comparison between this Magazine and others, in this respect, is challenged. The "Gossip about the Fashions," published in each number, is fuller, better and more than can be had elsewhere at any price. In the Eastern cities this work is universally held to be the text book of fashion. In addition, the departments for new receipts, Grochet work, Embroidery, Noting, Horticulture and Female Eclecticarian, are always well supplied with the most valuable and useful information. The Publisher offers it to the sex as the best Lady's Magazine in the world. Terms—Always in Advance. One copy for one year, \$2 00 Three copies for one year, 5 00 Eight copies for one year, 10 00 Sixteen copies for one year, 20 00
