THE MARRIAGE STATE: Shall Happiness and Health, or Misery and Stokens, allend it?

MOST STARTLING CONSIDERATIONS!

Reflections for the Thoughtful. Strange that countiess human beings exist and drag through life as do the beasts of the field, or the insects of the carth, evineing no more thought or reflection than though the noble faculties of mind wore not vouchsafed to them. Many such are husbands and fathers, upon whom are dependent the health, the well-boing, and the happiness of a confiding and affectionate wife, with perhaps a family of children.

HOW OFTEN IT HAPPENS THAT THE WIFE LINGERS FROM YEAR TO YEAR

WIFE LINGERS FROM YEAR TO YEAR
In that pitiable condition as not even for one day to
feel the happy and exhilerating influence incident
to the enjoyment of health.
She may not be an invalid confined to her bed,
or even to her room; as her pride, ambition and
energy induce and nerve her to take personal
charge of her household, even when her health will
not admit of it; but she is nevertheless perceptibly
sinking from day to day, and always ailing.
Thus, day after day, and month after menth transpire. Her health daily sinks, till finally even the
kepe of recovery no longer remains. And thus

THE BLOOMING BRIDE,

THE BLOOMING BRIDE,
But a few years ago in the flush of health and
youth, and buoyancy of spirits, rapidly, and apparently inoxplicably, becomes a foeblo, stokly, debilitated wife, with frame emneated, nerves unstrung, spirits depressed, countenance bearing the
impress of suffering, and an utter physical and
montal prostration.

Sometimes this deplorable change may and does
arise from organic or constitutional causes. But
oftener, by far oftener, to gross and inexcusable
generance of the simplest and plainest rules of
trealth as connected with the marriage state, the
violation of which entails disease, suffering and
misory, not only to the wife, but often

And must this continue? Shall we be wise in
all that concerns the cattle of our fields, our horses,
our sheep, our cows, our oxon, the unture and
character of the soil we possess, the texture and
quality of our goods and morchandies; but in all that
concerns ourselves as human beings, with human
functions and passions, subject to great derangement, involving our future peace and happinessin all that concerns the health and welfare of the
wife of our affections, and the mother of our children; in all that concerns the mental and physical
well being of these children, we should be immersed in the darkest and mest

BENIGHTED IGNORANCE. BENIGHTED IGNORANCE,

AS CULPABLE AS INEXCUSABLE AS CULTABLE AS INEXCUSABLE!

How long shall this ignorance prevail so productive of its bitter fruits! How long shall the wife and mother be ignorant of the nature, character and causes of the various womb and sexual complaints, embittering her days by suffering—suffering often prolonged to years, eventuating in a complication of diseases utterly and hopelessly incurable? Shall we for ever close our eyes to the results of physical points of the prolonged store by which we may arrive at an understanding of ourselves as men and women, subject to serious life-long enduring diseases, and perpetuating them to our children.

LET EVERY WIFE AND HUSBAND PONDER No husband or wife need be ignorant of what concerns them most to know to secure their health and happiness. That knowledge is contained in a luttle work entitled
