If any person or persons shall make any bet or wager upon the result of any election within the Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement challenge or invite any person to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or to be bet.

'If any person not by law qualified, shall fraudulently vote at any election in this Commonwealth, or being otherwise qualified shall vote out of his proper district, or if any person knowing the want of such qualifications, shall aid or procure such person to vote, the person offending shall, on conviction, be fined in any sum not exceeding two hundred dollars, and be imprisoned for any term not exceeding three months.

'If any person shall vote at more than one election district, or otherwise fraudulently vote more than once on the same day, or shall fraudulently fold or deliver to the inspector two tickets together, with the intent illegally to vote, or shall procure another so to do, he or they offending, shall on conviction be fined in any sum not less than fifty nor more than five hundred dollars, and be imprisoned for any term not less than three nor more than twelve months.

An Invaluable Book for 25 cents.—"Every family should have a copy."

100,000 Copies sold in less than a year. A new edition, revised and improved, just issued:

DR. HUNTER'S *Medical Manuel and Hand Book for the Afflicted*—containing an outline of the origin, progress, treatment and cure of every form of disease contracted by promiscuous sexual intercourse, by self-abuse or by sexual excess, with advice for their prevention. Written in a familiar style, avoiding all medical technicalities, and everything that would offend the ear of decency; with an outline of complaints incident to Females, from the result of some twenty years' successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.

To which is added receipts for the cure of the above diseases, and a treatise on the causes, symptoms and cure of the Fever and Ague.

Testimony of The Professor of Obstetrics in Penn. College, Philadelphia— "DR. HUNTER'S MEDICAL MANUEL."—The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, or to the victim of malpractice, as a successful and experienced practitioner, in whose honor and integrity they may place the greatest confidence.

Jos. S. LONGSHORE, M. D.

From A. Woodward, M. D., of Penn. University, Philadelphia—It gives me pleasure to add my testimony to the professional ability of the Author of the "MEDICAL MANUAL."—Numerous cases of disease of the Genital Organs, some of them of long standing, have come under my notice, in which his skill has been manifest in restoring to perfect health, in some cases where the patient has been considered beyond medical aid. In the treatment of Seminal weakness, or disarrangement of the functions produced by self-abuse or Excess of venery, I do not know his *superior* in the profession.—I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.—ALFRED WOODWARD, M. D.

"This is, without exception, the most comprehensive and intelligible work on the class of diseases on which it treats. Avoiding all technical terms, it addresses itself to the reason of its readers. It is free from all objectionable matter, and no parent, however fastidious, can object to placing it in the hands of his sons.—The author has devoted many years to the treatment of the various complaints treated of, and, with too little breath to puff, and too little presumption to impose, he has offered to the world, at the merely nominal price of 25 cents, the fruit of some twenty years' most successful practice."—*Herald.*

"No teacher or parent should be without the knowledge imparted in this valuable work. It would save years of pain, mortification and sorrow to the youth under their charge."—*People's Advocate.*

A Presbyterian clergyman in Ohio, writing of "Hunter's Medical Manuel" says:—"Thousands upon thousands of our youth, by evil example and influence of the passions, have been led into the habit of self-pollution, without realising the sin and fearful consequences upon themselves and their posterity. The constitutions of thousands who are raising families have been enfeebled, if not broken down, and they do not know the cause or the cure. Anything that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide-spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generation. Intemperance (or the use of intoxicating drinks) though it has slain thousands upon thousands, is not a greater scourge to the human race. Accept my thanks on behalf of the afflicted, and, believe me, your coworker in the good work you are so actively engaged in."

One copy (securely enveloped) will be forwarded, free of postage, to any part of the United States for 25 cents, or six copies for $1. Address (post paid) COSDEN & CO., Publishers, or Box 106, Philadelphia.
