Valuable Farm for Sale.

AS it is late in the season it requires particular attention to draw purchasers. Look here, then, Farmers and Capitalists, a great inducement for a safe investment is offered. No humbug, but real and substantial value. So be up and doing, as now is the time for those who speed the plow, for we farmers have been in the drag long enough. So walk up and don't be induced to invest your money in some fancy humbug stocks, to be rich to-day and poor to-morrow, but go to this sale and make a safe and sure investment, as the farmers are the chief bone and sinew of our country.

The undersigned, one of the late firm of Pleis, Foering & Thudium, former owners, will offer at public sale on the premises, on TUESDAY, the 13th day of March, that valuable FARM, situate on the Letort Spring, about half a mile South east of the borough of Carlisle, containing

280 Acres,

of Limestone Land, about 220 of which are cleared and the residue covered with the best of timber. Eighty acres are now in winter grain which will be included in the sale. The improvements are a large double two story Stone Mansion House, Barn and other out-buildings. There is a never failing spring of very fine water under the house. Also an Orchard of choice fruit. One third of the cleared land in new land, as it has been lately cleared, while the old cleared land has been heavily manured from stables in Carlisle. The whole is in a high state of cultivation and has produced great crops, as can be ascertained from the farmer now living on it. Besides that it actually produces a double crop if well worked from under ground as well as the top, as the whole farm abounds in veins of the best Pipe ore, and my former partner years ago paid to Charles M. M'Clure, dec'd, as high as $300 per year for ore, &c. So this is a rare chance not often to be met with. Any person wishing to examine the farm may do so by calling on Peter Albright now living on it.

Terms of Sale—Five per cent of the whole purchase money to be paid on the day of sale. One third of the whole purchase money to be paid on the 1st of April, 1855, when possession will be given. The residue in three equal annual payments, without interest. A deduction of ten per cent will be made for as much mor money as the pdrchaser chooses to offer.

Also at private sale, a Farm of 220 acres, and a first rate MERCHANT MILL, situate in Perry county, near Landisburg. For particulars enquire at Oak Grove Furnace.
