Will Schustopol Ever Pall !

Will Schastopol Ever Fall ! The above question is thus answered by an army correspondent of the Loudon Times : ... This actual works of the sigge make no pro-gress to justify one in prophesying. Actual increase of lines and batteries and armament there is, no doubt; but it exists on bolls sides, and there has been no comparative advantage grained by the allies which can be made public. The failure of the French to hold the position from which they dis lodged the Russian rife. Moldening the onemy considerably, but the results for the enemy. All this partial fire is. more or less, mischerious to ourselves, as in traves the attention of the Russians to their weak points, and shows them the necessity of the success of the sigge. The impression which has long existed in the minds of mary, that Substopol cannot be taken by assault, con-sidering the position of the more show which has long existed in the minds of mary, that Substopol cannot be taken by assault, con-sidering the position of the far stronger con-ristic that, had our army marked up on the subter sy and the citade. But coupled who has no staken prisoner some time ago and who knew the state of the far stronger con-right, who was taken prisoner some time ago and who knew the state of the far stronger con-tic the supposition is the far stronger con-right, who was taken prisoner some time ago and who knew the state of the far stronger con-tic the supposition is the far stronger con-tic to any the state of the city will have should be completed. before we can hope to re-duc the city and the citade. But coupled we could have walked into the place, unless and for our "infatuation" in allowing the Russian officer, who was taken prisoner some time ago and who knew the state of the city will, due clared very recently that he could have the we could have walked into the place, unless and fibry was in it, and that he hand but dat will be soled one resonable terms. The absorcher will also sole a number of out-tor fallen almost without resistence A Russian I officer, who was taken prisoner some time ago, and who knew the state of the city well, de-elared very recently that he could not account for our "infatuation" in allowing the Russians to throw up works and regain the heart, when we could have walked into the place, unless un-der the supposition that the hand of the Al-mighty was in it, and that he hand of the Al-mighty was in it, and that he hand blunded the vision and perverted the judgment of our gen-erals. "And now," said he, "iffe has saved Sebastopol, and we, with Ibs help, will main-tain it inviolate."

are the supposition that the hand builded the rision and perverted the judgment of our generals. "And now," said he, "iffe has savet generals different of the most in the intervention i

The KNOW-NOTING NUMBER CONSTITUTE. —A little affair leaded out before the Investi-gating Committee of the Massachusetts Legna-lature, which reflects rather disgracefully upon a member of the Visiting Committee on their recent visit to Roxbury. It seems that a short time since the same party went to Lowell at the expense of the State, and stopped at the Washington House, when a member of the Committee, (Mr. Hiss.) entered their names upon the register, and among the rest the fol-lowing appears. wing appears . Mrs. Patterson, -- Boston House.

This lady was entertained in a private room, and it is a curious fact that when the Commitand it is a curious tast that when the Commit-tee had completed their ardious duties. Mr. Hiss, to be sure the form of the hotel-bill against the State was right wrote it himself, carrying on the sum including the expenses of Mrs. Patterson. Mr. Hits, on being closely cross-examined founderst bally, and by his prevariations in-threetly admitted the "soft impeachment." It is intunated that on every similar trip. Mr Hiss has been accompand by a female. It is thought that he is a hitle too "gay" for coun-try morals.

try morals.

try morals. Pexen's Dest-Casto-Some persons take more trouble in looking for pursthan they would for stars. There are two hores in society—the man who knows too much, and the man who knows too little. An animity too long differred maketh the heart side. Traveling, now a days, consists in living on radways, and sleeping at
