'FROM THE CRIMEA. The news from the seat of war is the most mportant since the intelligence of the battle of

Alma. The news comprises three distinct successes by the Allies: Firstly. The French, in a series of sanguin-ary conflicts, lasting the whole nights of the 22d and 23d of May took and retained an im-portant position of defence, the *Place d' Armet*, before Sebastopol: Not fewer than 8,000 men were killed or wounded mostly by the bayonet.

Not fewer than 8,000 men were killed or wounded mostly by the bayonet. Secon<sup>4</sup>ly. The Allies tnade a rapid advance and seized and retained the Russian lines on the Tchernaya, without much loss. The Russians retreating to the hills. Thirdly. The secret expedition of the allies has obtained casy possession of Kertch, and thus commands the Sea of Azoff, in which are now fourteen allied steamers. The Russian's on the approach of the allies

The Russians on the approach of the allice blew up the forts and burned four steamers, thirty transports, and half a million sacks of breadstuffs. France and England have declined any fur-ther conferences at Vienna.

THE LATEST.

The French have established a camp at Teb-progoun, and it is said that Belgium will furnish twenty thousand men. hopes of peace now prevail.

By the previous arrival we had a brief an nonnecement of the French having driven the Russians from a strong position of defence, the Place d' Armee, before Sebastopol, which oc
