Standing Committee Meeting: The Democratic Standing Committee of C

(i) The Democrafic Standing Committee of Cam-ieriand county mediation public house of Jes. Fliver, in Garilady, on the 21st inst., and on mo-fion, Gon. WRAPH Forts, was chosen Prosidenti and Christophen Mellinger. Scoreary... The fol-house manimously adopted: Resolution of the County, meet and the plant of the county, meet at the methy places of holding their respective town of the plant of Varging, 1865 and then and there will black of the county, meet at the methy flaces of holding their respective town on the diate of Varging, 1865 and then and there will black and of varging, 1865 and then and there will black and of varging, 1865 and then and there will black and of varging, 1865 and then and there will black and of varging, 1865 and then and there will black and the varging the Stark and the stark will be Stark and the stark the solution in Oriolek, A.M., to form a County these, 1865, at 10 o'lock, A.M., and to attend to such other business of the party as may appear to the approximate the stark and the stark and the stark of the stark and the stark of the All the second s Ahristopher Mellinger, Sec'ty.

"Election or Deligares .-- In 'to-day's paper will be found the proceedings of the Demo atte Standing Committee of this county. It will be seen that' Saturday, August '18, is the May fixed for the election of Delegates in the al wards, boroughs and townships, said rigates to most in County Convention, in artiste, on the following Monday, to select a County Ticket, to be supported at the coming Ictaber election. The recommendation of the mittee that the Convention, set with open lyors, and that the viva voce system of voting bserved, we consider very proper. We have ocated this policy for several years, and are glad to see that it is hereafter to be observ-I by our Conventions. Democrats have nothing in their proceedings to be ashamed of.

AGRICULTURAL FAIR .- In mucher column e publish a list of premiums for the Cumberand County Agricultural Fair, to be held on grounds of the Society, at this place, on the alluring name of "Friends of the Consti-19th, 20th, and 21st days of September tution." The first Know-Nothing Club in Athe 19th, 20th, and 21st days of September next:, The list of premiums offered is large. and should induce a artizan to compete for obtaining one of more of blackguard, NED BUNTLINE, for the avowed tion. We rejoice to be able to state that the purpose of "putting none but Americans in of-Speicty-yet in its infancy-is in a highly fice." How similar are the objects! One obprosperous condition. We have, for many ject of the Jacobins of France was to take all ears, been the advocate of an Agricultural So ciety in our county, and we are glad to see that merge it in the Clubs. The same is the object our agricultural friends have at length taken of American Know-Nothingism, and last winthe matter in hand, by organizing a Society ter a majority of the members of our State creditable alike to themselves and our county. Legislature were directed and required how to

ROWDYISM ON THE STREETS .-- On Monday evening last, between 10 and 11 o'clock, a par ty of young men, some twenty in number, and and citizens of Carlisle, assembled in front of Short's hotel, corner of the Public Square, and enced quarrelling. After considerable wrangling and hard swearing, blows followed, ives were drawn, and one or two of the party received slight cuts, but were not seriously injured. The riotous proceedings wer at length brought to a close by the appearance of the Chief Burgess, who arrested and com mitted one or two of the ringleaders, and dis persed the others. We have, on frequent occasions, urged the

our borough than we have had; and we embrace the present occasion once more to urge the cil to do something that will put a stop to the rowdyism that prevails on the streets at

RESIGNED .- We regret to learn that Mr HENRY STURGEON, first Clerk in the Carlisle Deposit Bauk, resigned his situation in that institution a few days since. Mr. S. was very obliging, and admirable qualified for the position he held, and our busines community regre the loss of his services.

of his matchless eloquence-resist the appeal ? Sonn .-- The large new three-story brick house (not yet finished.) corner of Pomfret ry of their old leader to be impeached longer? Whig County Convention on the 12th of Sep. and West street, was sold, a few days since, by If they have one spark of the spirit of their late tember next. its owner, Mr. JAMES HOFFER, for \$4,500.- champion, they will rise up, as one man, and, Capt. LONG, of this place, was the purchaser. following the lead of JAMES B. CLAY, "crush adopted by the Committee :

out" Know-Nothingism, and put the sworn slaves of "Sam" to flight. nounce that the procession on Saturday next, will form at 11 o'clock, on Main street, the right resting BLACK VS. WHITE MEN .- That the Know on Hanover street, and then proceed in process Nothings and Abolitionists are "birds of a fer ton down Hanover to Louther, up Louther to ther," is very evident, from the fact that, while West, down West to Pomfret, down Pomfret, do the 18 wort for vacanting on the to but the lave the 1855. Such sontiments now would have hung him in offigy. and is now receiving his supply from the Luke composed of loring born citizons, and transfer their arms to companies of colored meni. In K. C. Some of the New York papers are urg bare been deprived of their arms, while in the noighboring State of Rhode Island, in the city of Providence, a militia company of negrees ments. The state to combute to of Providence, a militia company of negrees have been deprived of the rest. Fidler Mines. A few years since we had a couple tons of this coal--known to our citizens as the HELFENSTEIN coal-sent us a present, and considered it the best we had over used. It of Providence, a militia company of negroes has bollung. The sturdiest advocate of the galis very clean, ignites readily, and gives an in been formed, and the Legislature have granted lows ought to be satisfied with the substitute We are glad this superior coal has them the use of the State arms, and equipments. proposed. The idea of hanging a woman is too licen introduced into our market. It is the same in Cincinnati. A company of brutal and revolting to be entertained in any HEAVY RAINS .- We had a tremendous storm darkeys called the "Attuck Blues," or some civilized community. of rain in this vicinity, accompanied by thun such name, was recently formed, and armed BARBAROUS INHUMANITY .- The Baltimore ter and lightning, on Friday last, from the efby the State ; and now we hear that Gen. Sar- Republican tells a shocking story of a soldier, fects of which our agricultural friends will have gent has issued an order disbanding the Irish named Louis Loup, being dreadfully beaten by derable more labor than they anticipated. and German companies, and summoning them a Sergeant at Fort McHenry, and then gagged The oats, to use a hemely phrase, are "as flat to deliver up their arms. "Down with the and tied up to the flag staff, in which position as a pan-cake," and will have to be taken up white man, and up with the negro!" appears he died. The victim was a Swiss by birth, and down very much, but no injury to its growth to be one of the watchwords of Know-Nothing- had served seventeen years in the United States ism. But we have no fear the people will ever army, including the Florida and Mexican wars, consent that nigger Americans shall rule A- IIis offence was some drunken misconduct. will follow. It continued to rain with slight will follow. It continued to rain with ought consent intervals, up to yesterday morning, when it merica. cleared off, and the weather, at this writing, is THE CONSTABLE AFTER THE KNOW NOTH again clear and warm. This rain has been o PROMINITION IN ILLINOIS .- The full official INGS. - A day or two ago, a constable seized great benefit to the corn, potatoes, and other vote on the subject of a prohibitory liquor law, upon the furniture of a Know-Nothing Lodge, at the late election in Ill., was 78,239 for the measure, and 95,571 against, leaving a majorfall crops, and the yield, it is_believed, will be unusually large. ity of 17,332 against. Cook county, which auction. DT JOHN WILSON, who was recently reintains the city of Chicago, polled 8,989 votes, moved from the Commissionership of the Gen-eral Land Office, by President PIERCE, because of his having turned Know-Nothing, has ad-fressed a long, windy letter to the President, which he concludes by requesting an answer without a struggle or a groan. This was the 15- Maj. Polk, the brother of the former He had her life insured \$15,000 at Harford, Princes will of course grant the request of this inpudent southon.

then, is American Know-Nothingism and

French Jacobinism ?

A VOICE FROM ASHLAND ! We invite attention to the speech of JAME KANSAS AFFAIRS-Gov. Recder's Message

o the Legislature of Kansas is published. He ontends for the right of the people to settle CLAY, Esq., son of the late Sage of Ashland heir own affairs, uninfluenced by other States ; -to be found on our first page—against the langerous tendencies of Know-Nothingism says the Territorial Legislature nay not on the stion of Slavery to a limited and partial ex-AMES B. is the oldest son of HENRY CLAY, and tent, and temporarily regulate it in the Terri-tory : shows what have are note in forces di-rects attention to a definition of the boundaowner of and resides in the old mansion of Billustrious father, at Ashland Mr. Quar vas prompted to make this speech from having ries of Counties and Districts, and the qualifieen it asserted in a Know-Nothing paper "that ations of voters; recommends a stringen-Liwould be f HENRY CLAY were now alive be found fighting hit the front fanks of the Knowquor Law on account of the Indians; thinks hat a light tax only is required ; contends that Nothings !" His son considered this statement an impeachment of his father's character and pre-emptions may be taxed :-recommends the immediate establishment of a seat of Goyern, ment, and announces that the population of the Territory is 3,383 females and 5,133 males. The an insult to his memory, and embraced the first opportunity to denounce the assertion as a lschood, and to warn the old-line Whigs-of Legislature fixed on Shawnee Mission as the temporary seat of Government." "The Governor which his father was the acknowledged leader and champion-to have nothing to do with the clocd the same, when the' Legislature' fias sworn minions who call themselves Know Noth-ings. Mr. CLAY, we see it stated, is a farmer t over the vety, and adjourned to nice, at and makes no pretentions as a public speake He is a man, however, of sterling good sense is thoroughly educated, and has inherited man NICELY, CAUGUT. The New York Tribung. v days ago, came out in a long article warnof his father's traits of character, and in per ng foreign born residents that the Prohibitory sonal appearance bears a striking resemblance to him. He naturally felt indignant when he aw-against which they are particularly hos -must be obeyed so long as it is the law, read the assertion that, if his father was not and that if they wished to be considered good oilizens, they must not disregard it. This was alive, he would be found in fellowship with the dark-lantern conspirators, and permit his name to be used in the secret midnight dens of the all well enough, as in as it went. But be hold, the Tribure's ancient enemy, the Herniz, triumplantly selzed upon the article, endorsed perjured locs of the constitution, and the sworn enumies of civil and rullgions liborty. No won der that the son of the Sage of Ashland consid

ered it his duty, to notico this calumny agains one will agree to, that if the Prohibitory Law, passed by a State Legislature, should be obey ho character of his deceased father. He knew his father's views and opinions too well to ed, how much more a law like the Fugitiv permit this impudent assertion to go unnoticed, Slave Law, passed by the National Congress. The Tribung, for once, had to knock under for and he therefore appeals to his father's old friends to stand to their principles, and, by h ennetting data to it itin metropher it i the mighty cflort, assist to crush out, the demoral THE LOUISIANA KNOW-NOTHINGS TThe fol izing and dangerous principles of Know-Nothlowing is that portion of the Platform of the RtiNM of Doutstand which objects to the ngl plication of the principles of the school of at dollar her is here Dan Mila Will the sindere friends of " Harry of the West" heed the warnings of his south Can of ing Philadelphia Platform; to Antenian Catholics with the design and the desig they, after this appeal from Ashland, continue to give countenance to the desperate men who ire Vanded together; like the Jacobins of France; by wicked, unlawful and tinconstitutions aths? The Jacobins of France drenched their country with blood, and overthrew all law, or ler and morality. American Know-Nothing ism is but French Jacobinism under another name, and if not put down and traimpled in the

Catholins 3 and thirt and bur han burbar Gr ""While we approve of the platform" adopted by the lato Nultional Ocouncil of the 'American party 'at Philadlohik, 'wd reject the application of the principles of the eighth article to Ameri-can 'Catholics,' as 'unjust,' unfounded 'anil' en-tirely unworthy of our country. Washall for-ever continue, to procest 'ngains' any abjuidge-ment of Yeligious liberty', bolding it as a cair-dual maxim that' religious faith is a question between in the for political and his God. We ut-terly condenin any attempt to make religious belief a 'test for political office, and can news affiliate with any party which holds sentiments not in accordance with face." dust by the people, will eventually end in anarchy and blood. The first Jacobin Club of France was organized in Paris in 1789, under nerica was organized in New York, in the lat-CFKossurn has written a recent letter to the very farmer, mechanic and ter part of 1853, by that notorious Infidel and N. Y. Times, in which he argues, with much force, that the Know Nothings, by themselves dopting the governing principle of the Jesuit

order, to wit, secret combination to. accomplish nds by means the most questionable, morally considered, -- will, instead of suppressing Jesuit-sm, really be instrumental in spreading its perlegislation from the hands of the people and nicious influences into all our social and politi cal movements. He concludes with the follow, ing words of advice and warning, which-albeit Legislature were directed and required how to they come from a foreigner-are worthy to be weighed and remembered ; rote on all important questions by their respective secret Councils! In France it was "If the old lissues are gono; raise new ones; but raise them on a principle." If the old par-tice are worn out, form new parties; but always on a principle. Of one thing, however; I would warn America to beware, and that is the fator cessary for a man to belong to a Jacobin

lub before he could be a candidate for office. a America the same rule is carried out by the Know-Nothings, every man being compelled to uction of race, tongue, 'religion into the orena f political contest. Oenturies may have to atome or the error of one generation." wear that he will support sione but a member of his midnight Council for any position what-

over. He has not the privilege of even voting for a father, brother or friend, should they be candidates in opposition to the Know-Nothing takes an oath to support the Constitution..... birth becomes a citizen of the United States, he ticket ! In France the most minute matter was made the subject of Club supervision, and the K. N's. he takes an oath to oppose that was entirely circumstantial, and not strong the members obeyed like slaves. So, too, is it Constitution. This is the difference between with the American Know-Nothings-they are them. As obedience to the Constitution and coessity of having a more efficient police in the mere slaves of masters, and dare not vote laws is the first duty of an American citizen. nor even speak as they please. All the boastlet us ask which of the two is, in spirit, the ed free action of an American citizen is repudibest American, and fittest to rule America ?, ated, and each man of the Council is compelled to bow with meek submission to his oath fortified order ! How similar in organization

"FIRM UNITED LET US BE."-A noticeable circumstance occurred at Morristown, N. J., on the 4th of July. A company of twelve la dies and gentlemen came from. Hackettstawn to that place, and were all married by the Rev. John R. Shaw, of Morristown, who likewise ricd offices of the National Council, worth, it is ing twenty-six persons made happy or miserable, through his instrumentality, in one day. > TT Mr. Brown, the editor of the Marion Re. publican, Indiana, heretofore a whig paper, ays that he shall from this henceforth be found battling for the ascendency of democratic prin usted. ciples. .: UD6

FIENDIRI ATTEMPT AT MURDER .- The dwel ling house of John Tucker, near Providence, R. ., was blown up and entirely destroyed by unpowder, on the night of the 13th inst., while the family were in bed. A keg of gunowder had been placed under Mr. Tucker's bed, and the trail carried outside the house and fired. None of the inmates of the house were injured. Their escape was miraculous. Mr. Tucker's own son has been arrested on suspicion of the crime.

. IT Jacob Schegel was tried last week in he Court of Overand Terminer of Philadelphia, for the murder of his wife Lena, whose body, swill be remembered, was found at Green Lane, in April last. The trial occupied four days, and on Friday night the jury rendered a enough to warrant his conviction.

New JERSEY .- There are symptoms of a division among the Know, Nothings of New Jersey on the subject of slavery and the platform hereon adopted by the National Council. The Hunterdon Gazette supports the platform, and Mr. Deshler, one of the State Delegates to the National Council, has procured the passage of narried another couple during the day-inits said, about \$2000 per annum. The majority of the party in the State opposes the platform but the minority may succeed in getting a majority of the delegates to the State Council, BREADSTUFFS .- The general 'excellence of which meets at Trenton in August. Yet it is quite certain that unless the State Council 'repudiates the platform, the party will be divided in the State. Most of the newspapers prefer

defeat to submission.

From the Pittsburg Union. The last Refuge of a Scoundrel is Patriot

"The high letings of a scenndrei 18-patriot-ismi,"...Dr. Johnson. When the great literary dictator uttored the explosion we have quoted above it which looked uport is an low of low of spicen ? Thut now the ime gives it proof, "and he is built in indifferent baser or of passing events where a not see it high wering a the dotions of Know Nothing Ionargogree. Patriotism in itself is most commendable... Patriotism in itself is most commendable...

Patriotism in itself is most commendable.— When men arcactanted by pure motives and an enritist desire to promote the public weal, they deserve and receive our respect and administion; bid when they prate of patriotism to deceive communities and advance.their_selfish_endsr Hiey become objects of contempt, and deserve thereare of every honest, independent citizen. Tt then of natriotism is, in our deceiverate times, the

Dishonest in his actions, fulse in his, profes ions, a weathercock in politics, a creature who pends the pregnant hinges of the knee that hrift may follow fawning—let no such man be ruited.

Trins SERVICTION AND ELOURNERST CASE.—We Some time since alluded briefly to a case of se-duction and elopement, but not being fully ad-vised of the particulars we refrained from giv-ing publicity to the names of the parties infer-ested, being unwilling to incur the responsibility that might have arisen in the event of the ru-mor proving unfounded or at least exaggerited. These objections, however, being removed, we have now no lusitation in giving the partieu-lars of the case. It appears that a school teach-er named John Killwell, residing in East Hano-ver township, in this county, who had a wife and two children living with him, cloped with a young girl fifteen years of age, named. Mary Rauch, daughter of William Rauch, a respect-able farmer of the same township. Mary had been going to school to Killwell for some two years, during which time he had gained her af-fections to that degree as to have and mind excitement in the neighborhood, and mindlers during the time of their absence. The girl was in a state of almost helpfess weakness, our in-formant stating that an abortion had been pro-duced on her between the time of the leaving her fulne's house and when shie was found.— She is represented as a smart, comedy girl, with a least ordinary intelligence. The girl was in a state of almost helpfess weakness, our in-formant stating that an abortion had been pro-hers in the next instruction had been pro-hers in the noist affecting minner. Killwell, was brought to our borough on Thesday last, and ledged in prison to answer the bornship. It is a tose showing extraordinary deparity in the thest bey were found, when she threw herself upon his need, be scouldered it, that a disposition was evinced by the neighbors to take the law in their own hands: *Harnshurg Herald*.
