ATTEMPTING TO STEAL HIS LAURELS

Gen. Houston, it is said, has "committed himself with treacherous Know-Nothingism—another evidence that great men are as liable to commit a blunder as anybody else."

The few Democratic papers that espouse Know-Nothingism are, nearly all, advocates of Gen. Houston for the Presidency, and this is the reason why the Whig portion of the Know-Nothing journals are so busily engaged in attempting to rob him of the laurels he won at San Jacinto...
