CENTENT.

THE superior Gement, manufactured by J.
Garver & Co., of Scotland, Franklin county, can be had in large or small quantities at H.
SAXTON'S Hardware store, Main Street, Carlisle. All who have tried this Gement pronounce it the best article they ever used. From a great number of cortificates given to the manufacturors, we select the following:

CHAMBERSBURG, Feb. 20, 1855.

TO JACOB GARVER:—Sir—There has been used during the past year, under my direction, in the construction of "The Carlisle Water Works," and work of this Company, about 50 barrels of your Hydraulic Cement, which has proved to be a good and reliable article, and I take pleasure in recommending it to others as such.

April 19, 765.

Read! Read!

MR. DAVID SIPE, of Carlisle, has been appointed Agent for the county of Cumberland, for the sale of FISK'S PATENT METALLIC BURIAL CASE, which is superior to any of the kind now in use, for ordinary interments and transporting the dead. It prevents immediate decomposition and obviates the necessity of hasty burials; for, being perfectly air-tight, it prevents any unpleasant odor from escaping and can be kept from day to day, until it, suits the convenience of this friends of the deceased to inter. We might offer hundreds of certificates in corroboration of these facts, but the following will suffice:

Certificates from Clav. Webster and others.

Certificates from Clay, Webster and others. Certificates from Clay, Webster and others.

Washington, April 5th.

Gentlemen—We witnessed the utility of your ornamental "Metallic Patent Burial Case," used to convey the remains of the late Hon. John C.

Cathoun to the Congressional Cometry, which impressed us with the belief that it is the best article known to us for transporting the dead to their flual resting place. With respect we subscribe ourselves.
