MR. DAYID SIPE, of Carlisle, has been appointed Agent for the county of Cumberland, for the sale of FISK'S PATENT METALLIO BURIAL CASE, which is superior to any of the kind now in use, for ordinary interments and transporting the dead. It prevents immediate decomposition and obviates the necessity of hasty burials; for, being perfectly air-tight, it prevents any unpleasant odor from escaping and can be kept from day to day, until it suits the convenience of the friends of the deceased to inter. We might offer hundreds of certificates in corroboration of these facts, but the following will suffice:
