MR. DAVID SIPE, of Carlisle, has been appropriated Agent for the county of Cumborland, for the sale of FISK'S PATENT METALLIC BURIAL CASE, which is superior to any of the kind now in use, for ordinary interments and transporting the dead. It prevents immediate decomposition and obviates the necessity of hasty burials; for, being perfectly air-tight, it prevents any unpleasant odor from escaping and can be kept from day to day, until it auits the convenience of the friends of the deceased to inter. We might offer hundreds of certificates in corroboration of these facts, but the following will suffice:
