STARTLING, BUT TRUE!

Warning to Every Sensible Woman.

WHY FEMALES SUFFER IN HEALTH.

NO woman of delicacy is willing to disclose the peculiar ailments incident to her sex, even to a most intimate family physician. This modesty and delicacy is implanted by nature, and neither should nor need be subjected to the rude shocks inevitable in making known to the other sex those ailments belonging exclusively to the female.

Except in extreme cases, her sensitiveness will sacrifice her health rather than her delicacy.

The consequences are serious, lamentable, and life-long.

Thus what at first could have been easily remedied or perhaps better still, not incurred, becomes a complication of diseases, not only ruining the health of the mother, and embittering her days by sickness and suffering, but entailing broken constitutions upon her children, and embarrassing, if not distressing, the business and pecuniary prospects of the husband. Let every sensible woman *take warning in time*, (as thousands have done) by the bitter experience and sufferings of others, of the dreadful consequences she entails upon herself and those entrusted to her, by her ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery.

How, many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice! How many suffer from *prolapsus uteri* (falling of the womb,) or from *fluor albus* (weakness, debility, &c.)! How many are in constant agony for many months preceding confinement! How many have difficult, if not dangerous deliveries, and slow and uncertain recoveries!

To the question, how are these to be prevented? what shall be done? the answer is simple. Let every woman ascertain for herself, without violence to her delicacy, the nature and character of the ailment (to which she as a female is subject) the causes from which it may arise, and the proper remedies for its cure and future prevention.

This she can do by possessing a little volume (already possessed by thousands) which tells her what is the matter, and tells her what to do for it, in simple but chaste words, and such as she can understand. This little volume is entitled *the Married Woman's* PRIVATE MEDICAL COMPANION, by Dr. A. M. MAURICEAU, Professor of Diseases of Women. One hundredth edition (500,000) 18mo., pp. 250. [On fine paper, extra binding, $1,00.]

A standard work of established reputation, found classed in the catalogues of the great Trade Sales in New York, Philadelphia, and other cities, and sold by the principal booksellers in the United States. It was first published in 1847, since which time *five hundred thousand copies* have been sold, of which there were upwards of one hundred thousand sent by mail, attesting the high estimation in which it is held as a reliable popular medical book for *every female*; the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands, both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, causes of, and the proper remedies for, her complaints.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm, as all the peculiarities incident to her situation are described.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage. The revelations contained in its pages have proved a blessing to thousands, as the innumerable letters received (which he is permitted by the writers to publish) will attest.

Extract of a Letter from a gentleman in Dayton, Ohio.

DAYTON, May 1, 1847.

Dr. A. M. Mauriceau:

"My wife has been prostrated, sinking for some three years or more, in consequence of her great anguish and suffering some months before and during confinement; every successive one more and more debilitated and prostrated her, putting her life in imminent danger, and which was on the last occasion despaired of. I supposed that this state of things was inevitable, and resigned myself to meet the worst. At this time (now about two months) I heard your book highly spoken of, as containing some matters reaching my case. On its receipt and perusal, I cannot express to you the relief it afforded my distressed mind, and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Desomeaux provided a remedy. It opened a prospect to me which I little conceived was possible. No pecuniary consideration can ever repay the obligations I am under to you, for having been the means of imparting to us the matters contained in "The Married Woman's Private Medical Companion." But for this, ere another year would have passed over my head, in all human probability my wife would have been in her grave and my children left motherless."

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other devices and deceptions, it has been found necessary therefore *to Caution the Public* to buy no book unless the words "Dr. A. M. Mauriceau, 129 Liberty Street, N. Y.," is on (and the entry in the Clerk's Office on the back of) the title page; and buy only of respectable and honorable dealers, or send by mail, and address Dr. A. M. Mauriceau.

☞ Upon receipt of one dollar "The Married Woman's Private Medical Companion" is sent (*mailed free*) to any part of the United States, the Canadas and British Provinces. All letters must be post-paid, and addressed to Dr. A. M. Mauriceau, box 1224, New York City. Publishing Office, No. 129 Liberty Street, New York.

MR. DAVID SIPE, of Carlisle, has been appointed Agent for the county of Cumberland, for the sale of FISK'S PATENT METALLIC BURIAL CASE, which is superior to any of the kind now in use, for ordinary interments and transporting the dead. This land is as productive as any in the county of Jefferson, and well watered. It is within two miles of the Shenandoah river, and the A. L. H. Railroad will run within one mile of it. A more particular description is deemed unnecessary as persons wishing to purchase will view the premises before purchasing. The farm will be shown and terms made known by F. A. Lewis, living near Kabletown, in Jefferson co., or on application, postage paid, to the undersigned at Mobile, Alabama. If the above property is not sold privately before the 16th of July, 1855, it will then be offered at public sale on that day, before the Court House, in Charlestown.
