standing Committies Meeting. The monitors of the Democratic Standing from the standing siderable length, the affairs of Central America do mediat Standing siderable length, the affairs of Central America and the pretensions of England in relation thereto, showing that she has not only failed to

Dor readers will not require from us an 1999 for here will see that the messages in dispute are still under discussion, and hopes of the President and Governor occupy hearly are entertained that they may yet be pencefully our whole disposable space.

PostAoE. Wd'again repeat that the public ain is in the wrong, that this government canshould be particular to impress upon their minds not recede from its position, and its well known the fact that no letters will be received at the and settled policy. Post office utiless they contain a postage stamp.

CONGRESS.—This body is still acting the fool and squandering the people's money. The bal-loting for Speaker continues about as usual, with a clearness of judgment and a nice regard with no prospect of an election. The people for all our national rights that will commend can now see the great error they committed the message to every true lover of the country. then they elected a majority of unprincipled These are the most important, as they are the Know-Nothings to Congress.

Several inches of snow fell here on Satnday last, and this morning our streets are manly, it leaves no ground for cavil-no room thanty, it leaves no ground in the firmly it leaves no ground in the firmly it leaves no ground in the firmly to doubt that our national rights will be firmly bills." Oh, for ____ but no matter; " blessed are they who expect nothing."

The aggregate amount of money received whole message is pervaded by a nice perception in the hands of the Treasurer of the Company, vision be made for the adjustment, by survey. in the hands of the descent of the building of a of our disputed boundary between the territory House Bouse as a soon as a suitable site can be of Oregon and the British possessions, as there procured, The members of the Company re-turn their thanks to the four ladies who acted on the subject. He also recommends the exin the capacity of Managers of the Fair. Also to the contributors and citizens generally for their patronage.

FATAL AND DISTRESSING ACCIDENT .- A nost distressing accident occurred at GIFFIN's Paper Still, at Papertown, this county, on Fri- and has commenced its labors. day evening last, by which a Mr. BOSLER, one of the working ise, of was instantly killed. Mr. B., gave notice to Denmark of its intention to ter we learn, was about to examine some part of minate the treaty of commerce and navigation the machinery, and in doing so slipped on ice with that power, one year from that date, on that bad formed on the floor, and fell between two large cog wheels. In an instant his body passed through the machinery, and of course The President is of the opinion that we ought passed through the inacunery, and of the result of the state of the second of the seco the body of the unfortunate man taken out in as a close sea one of the great maritime highpieces. The decrased, we regret to learn, leaves ways of nations. a wife and two small children, who were dependent upon his labor for their maintainance. May an all wise Providence protect and comfort them in their severe affliction.

The Volunteer will be in trouble enough, we floubt not, throughout the session, over Mr. Topp's speeches. - American.

DINNER TO HON. WM. WIDEINS .- On New Year's day, the members of Assembly from Allegheny', gave a dinner, (at KANAGA's Hotel. ing, to Mr. Wilking, the venerable \$15,623,803 40. At the commencement o Senator from that county. A number of invited guests were also present, and among others Senator Fosten, Canal Commissioner Hor-have been made since, the debt is now less that KINS, Col. ORR, member of the House from Franklin, Judge STUART of this county, and forty millions. many others whose names we cannot now ect. For the kind invitation extended to us by the members for Allegheny. to be present at the festival, we are under many obligations, and fult truly sorry that other engagementa prevented our attendance. The of the government, the President recommends

..... PBESIDENT'S MESSAGE. On our outside form will be found the able and admirable message of President PIERCE. emises." Every bill passed with a member's and we bespeak for it a careful and attentive mie attached, should invalidate such bill. perusal by our readers. The message starts The Governor alleges that \$630,601 of the ut with an able and succinct review of our State debt has been liquidated during the year, and that the balance due is \$41,067,994

72. The receipts into the treasury for 1855, amounied to \$5,390,474 11, and with the balance of \$1,240,928 72 in the treasury at the keep her engagements but continues so to conbeginning of the year 1855, to \$6.631.402 83. strue the treaty as to leave her in possession of The expenditures for the same period were \$5.-385.705 52, being within \$4,768 59 of the anall the authority she claimed over portions of nology for lack of news and miscellany in this the territory previous to the treaty. The points hual receipts into the treasury. This \$4,768 59 would have been a very small sum towards the liquidation of the \$630,601, alleged to have

adjusted ; but so evident is it that Great Britbeen paid on the State debt : but it is pratify, ing to know, that Goy. BIGLER left the treasury in such a plethoric condition as to enable Gov POLLOCK to pay off so large a portion of the The next subject discussed is the question of State's indebtedness. It is certainly very hon-

Cononess.-This body is still acting the fool the violation of our neutrality laws by British orable to Gov. BIGLER, and showed his desire to give his successor a fair start. Not many Governors would have left a balance in the trensury of \$1.240,928 12 for another to make capital upon by paying off a portion of the State's incumbrances. first of the subjects discussed, and the tone and His suggestions in reference to the laws no

temper of the message hereon is worthy of the in operation, regulating manufacturing and other improvement companies, are so vague highest commendation. Firm, decided and and general, that nothing tangible can be de rived from them. and zealously defended. Every fact is present The Governor is against sumptuary laws a

a general thing : but leaves the door open for ed in a clear and convincing light, and the their exercise, as he did in the banking ques at the late. Fair of the Good Will Hose Core pary was \$1,869 14. The exponence were \$608 16. Levying " "binne of \$860 95, which is The President again recommends that pro-if the Legislature should pass a law to that ef-

The President again recommends that prefect, unless they substitute something better than the old license system. On the question of the increase of banking capital, he occupies the same ground that he did last year-speaking against their increase tinguishment, by purchase, of the rights of the in a hypothetical manner, but making the necessity depend on the judgment of those British Hudson's Bay Company and Puget's around him.

Sound Agricultural Company, in Oregon and Taken as a whole, the Message is rather bet. Washington Territories. The fishery commission has been organized ter than we had a right to expect from a Know

Nothing Governor. On the 14th of April last, the United States A SCRUE IN CONGRESS. The Penneylvania delegation figured conspi-cuously in the House on the 27th ult. The occasion is briefly sot forth in the following exaccount of an article therein which might be construed into a submission to the Sound Dues tract from the proceedings :

Before the last vote was announced. Mr. Millproached by one of his colleagues, who had proposed that if he would vote for Mr. Banks, proposed that if be would verte for Mr. Banks, be (Mr. Milward) should be made Chairman of the Engraving, or Lithographing, or Printing Committee, and have a good $\pi n m o$ or rr. - 1Laughter, and crice of "name him !" " who is The difficulty with France about the Frence Consul at San Francisco has been satisfactorily

adjusted, as also the difficulty with Greece sylvania. [Sensation. Nearly all the members rising to their feet, and much interest manifes-ted in all parts of the House.] about the sequestration of property belonging to the present Consul at Athens. Spain has

ted expenditures of the present year are stated Mr. Alliward to Mr. Pearce-Did you not fail Whig paper, thus speaks of this little act of at \$71,226,846, thereby leaving an estimated Mr. Alliward to Mr. Pearce-Did you not fail Whig paper, thus speaks of this little act of balance in the treasury on July 1st, 1856, of voted for him he would give no what you pro the refusal of the majority of the House of

st5,623,863 40. At the commencement of the present discal year, the amount of the public delt was \$40,583,631, and as payments have been made since, the debt is now less than forty millions.
The President recommends that a law be passed making it felony on the part of public officers to make false returns. In view of the fact that the national rerenue exceeds the wants of the government, the President recommends are unterested. Mr. Millward sould be more guarded. He had only alluded to one prelieman from Pennagivania, and that was Mr. Pearce.

him to unjust suspicion, and stamps with sel. ty of the expression, used by Pearce on this oc. | Valuable House and Lot for Sale stness, at least, his legislative action in: the casion with that used when speaking to Mr. remises." Every bill passed with a member's Millward, and then form his own opinion as to the playfulness or seriousness of the remark.

> Presidentiail Items, The Meadville Sentinel favors the nomin on of Mr. Buchanan, for the Presidency. The Easton Sentinel also speaks favorably o he same gentleman. The Daily Ledger, printed at New Albany,

ndiana, advocates the nomination of Senator lright, as the Democratic candidate for Presient in 1856. CLEARFIELD COUNTY .- The democrats
