fied to learn that a move has at last been made by some of the influential citizens of our bor ough, to offer to parents and guardians an opportunity to educate their daughters and wards without sending them a great distance from home. A number of public spirited gentlemen have lately purchased the property of Dr. C E BLUMENTHAL, on Louther street, for the purpose of establishing a Female Seminary, m

SENDING LETTERS.—It is a violation of law bo enclose to different addresses, two or more than one letters in one envelope to the same address. The Washington Union says It is address. The Washington Union says it is fessed peace proclivities were uncorked to give General Walker has selzed the Transit Com surprising how there are so many persons vent to the bubblings of indignation. The pany's boats, shaulled its charter, and granted ready to seek out ways of evading the payment of postage, though our rates now are the lowest of any country in the world. There to battle it out there, for that most ultra anti-molishing on hundred thousand houses, and

which all the branches requisite for a thorough education are to be taught.

Mr. CHARLES CLARK, a highly accomplished gentleman, and his lady, who bring the best testimonial as regards capacity and fitness for the duty, have been secured to preside as princinals over the Institution. A Seminary of this kind has long been a desideratum in our midst. We know of no place offering a better and more favorable field for such a school

We trust moreover, since a disinterested effort has been now made, by those who advauord the money for the purpose of securing to us such an Institution, that those most interested.

(we mean parents and guardians, who have ughters and wards to educate,) will lend their aid in supporting it to the best of their ability. The Seminary will require this more particu larly in the outset. Let all who contemplate sending their daughters and wards, do so at once, and thereby show that they appreciate the laudable effort made in behalf of the education of those entrusted to them.

For terms and details connected with the management of the Seminary, we must refer to

the advertisement in another column.

MORE SNOW,-In DICKINS' last Christmas Story, in speaking of a snow-storm, he says --"And it snowed, and snowed, and snowed, and

still it snowed." We can also, with much sruth, use the same language. We had hopes, a few days since, that balmy spring was approaching-the bright sun, songs of spring birds, \$60,000; 42 mules for \$133'each; 54 at \$120

and other "premonitory symptoms" led us to be lieve that old Winter was about to take his departure in a quiet, peaccable, and good natured manner. But no ! Our sanguine hopes have

been disappointed, and the article we had prepared on "Spring," in which our fancy imagined feathered warblers, green grass, and runing brooks, has been laid aside, to be used at a

4th inst. ore "convenient scason." But, our object in commencing this "squib," was to inform our
