all dangerous wounds. The engineer, Ma-Henry Harris, fell between the engine and ten-der, and was almost instantly killed. Fire of der, and was almost instantly killed. "Fire of the excursion cars were broken to htoms, scattering their living lead of pion the ground. To add to the confusion and horror of the scene, several of the cars were set on fire from the fire box of the lucomotive, and many of the passengers crushed beneath those who were endeavoring to flee from the burning car, were sufficented or burnt to a crisp. Among the number was the paster of the Church to which the Sunday School was attached. Father Sheridan. He was so badly disfigured that his face could not be recognized.

sizes, Executive Committee of server, and a proper server in the States are the Server from the District of Article of the Child, and the States of the Child of the States of the Child of the States lowing arsenic. 'He was probably driven to this rash act by the fear that the blame, of the terrible calculity would be through upon the He lived in Buttonwood street, above their work was a work of the blade of t
