DAVID SIFE,

Read! Read!

MR. DAVID SIFE, of Carlisle, has been appointed agent for the county of Cumberland, for the sale of FISK'S PATENT METALIC BURIAL CASE, which is superior to any of the kind in use, for ordinary interments. Such trophies as are presented to the deceased, are immediately decomposed and obviates the necessity of hasty burials; for, being perfectly air-tight, it prevents any unpleasant odor from escaping and can be kept in the earth until it suits the convenience of the friends of the deceased to inter. We would offer hundreds of certificates in corroboration of these facts, but the number is too large to insert.

Certificates from City, Webster and others.

WASHINGTON, April 6th.
GENTLEMEN—We witnessed the utility of your ornamental "Metallic Patent Burial Case," used to convey the remains of the late Hon. John C. Calhoun to the Congressional Cemetery, which impressed us with the belief that it is the best article known to us for transporting the dead to their final resting place. With respect we subscribe ourselves,

H. CLAY, LEWIS CAS, DANIEL WEBSTER, D. S. DICKINSON, JEFF DAVIS, W. M. BRADEN, W. P. MANSOUR, W. R. ARTHURSON.

The above described Burial Cases can, at all times, be obtained of the subscriber, at his Ware-rooms, nearly opposite the Bank, North Hanover street
