Buchanan Club, No. 1. The next meeting of the Buchanan Club, No. 1, of Carlisle, will be held at Parsons' hotel, in this borough, on Saturday evening, August 23, at 8 o'clock. Turn out, friends of Buck and Breck—keep the ball rolling. JOHN L. BRATTON, President of Club.

August 7, 1856. Come one, come all! TO THE DEMOCRATIC COUNTY MEETING!

One Constitution! One Union! One Destiny! The Democratic citizens of Cumberland county, and all in favor of the election of JAMES BUCHANAN and JOHN C. BRECKENRIDGE as President and Vice President of the United States, are requested to assemble in the Court House, in the Borough of Carlisle, on

MONDAY EVENING NEXT, August 20th, 1856, being the first day of Court, to make arrangements for the coming October and November elections. The bell will be rung at early candle light.

As a coming campaign will be one of unusual interest and the most desperate efforts are being made by our Know Nothing and Black Republican opponents, to obtain the ascendancy in the administration of our national government, we would urge upon our Democratic friends throughout the county, the necessity of turning out in large numbers. For the first time in the history of our country, a candidate for the Presidency has been nominated by a party of an entirely sectional character, and the people of the Northern States are asked to vote off from all participation in the government of our country, fifteen entire Commonwealths!

The issue at the November election will be a fearful one, involving the safety and permanency of our Union. Every citizen who loves his whole country, should unite with the Democratic party, in its efforts to preserve the peace, the happiness and the prosperity of our nation. Then come one and all, from every section of the county. The meeting will be addressed by Gen. Wm. H. MILLER, of Harrisburg, and several other able speakers.

MERCHANT MILL FOR RENT.—The Merchant Mill at Bulling Springs, owned by P. F. KOK, Esq., is offered for rent from the first of April next. This is one of the best mills in the county, has always had a good run of custom, and is at present in complete condition for grinding. It is propelled by a never failing stream of water, in a rich, healthy and desirable location. See advertisement in another column.

NORTH MIDDLETOWN AWAKE!—A very large and enthusiastic meeting of the Democracy of North Middletown township, was held at Blevins' tavern on last Saturday evening. Strong resolutions, ratifying the National, State, and County tickets were passed, after which the celebration was addressed by THOMAS M. BIRD, Esq., of Carlisle. Perfect harmony and unanimity characterized all the proceedings on the occasion. Three cheers for old North Middletown!

BUCHANAN CLUB.—Another meeting of the Buchanan Club will be held at Parsons' hotel on Saturday evening next. Let every Democrat of the borough be present. Now is the time to keep the Democratic watch fire brightly burning. Our enemies are stealthily but industriously at work, and pretend to be sanguine of success. Let our friends but do their duty, and October's chill winds will within the hopes of the Black Republicans, and November's three blasts will utterly annihilate their fond anticipations.

A FOUNDLING.—We have been informed that on Friday morning last, a fine, healthy female infant was found deposited at the door of our townman, Wm. H. MILLER, Esq., on West High street. Who the infant's parents of the founding are could not be ascertained, but the mother who could thus desert and expose her tender offspring, is unworthy the name of woman. The little stranger, which was apparently about a week old, was sent to the County Poor House.

READ FR.—We mean the speech of JAMES B. CLAY, Esq., son of the late HENRY CLAY, to be found on our first page. It will be seen that Mr. C. announces himself for Breck and Black, and appeals to his father's old friends and admirers to follow his example. Dank! Webster's sons are also out for BUCHANAN. So we say. Clear the track!

BUCHANAN AND FREEMONT.

Look out for old Buck! should you bring him to bay. A stag of ten antlers held prove in the fray; Let the signal go forth on mountain and dale, There's a union of hearts, and a union of souls.

The friends of JOHN C. FREEMONT, of this and other Northern States, are appealing to the people to support their candidate because, as they say, "he is a Northern man." And yet it is well known that FREEMONT is a native of South Carolina, and was educated by prominent Catholic ladies of Charleston.

The Abolition papers are urging their frantic calumnies to support him, because, as they assert, he is opposed to slavery. FREEMONT is, we are free to say, an Abolitionist now, but what was his course when he held a seat in the U. S. Senate? By reference to his votes it will be seen that he opposed the Colonization Society, and also the bill providing for the abolition of slavery in the District of Columbia. Indeed, on all questions pertaining to slavery, FREEMONT voted with A. LINCOLN, the leader of the "Border Ruffians" in Kansas; with Fremont, his father-in-law; with Butler, the kinship, defender and apologist of BOOKER; with Hunter, with Mason and Sumner, and the extreme Southern pro-slavery Senators; and against the moderate Southern Senators, such as Butler, B. H. Clayton, Mangum, Parre, Underwood; against Douglas, his colleague on the ticket; against Evins, Witherspoon, and all those with whom he is now associated.

Some men calling themselves old-line Whigs, but who are Black Republicans in disguise, would counsel their fellow-men to go for the Abolition candidate, because, as they declare, "Mr. BUCHANAN has abused the Whigs in his speeches." Mr. BUCHANAN, it is true, always opposed Whig principles, but we don't know that he ever "abused" the men of that party. How did JOHN C. FREEMONT speak of the Whigs? Here is what he said: "Sir, I have lived upon a Slave Plant and a Groveshop Plant, but I have never seen a Whig in my life."

Mr. BUCHANAN, it is true, always opposed Whig principles, but we don't know that he ever "abused" the men of that party. How did JOHN C. FREEMONT speak of the Whigs? Here is what he said: "Sir, I have lived upon a Slave Plant and a Groveshop Plant, but I have never seen a Whig in my life."

Some men calling themselves old-line Whigs, but who are Black Republicans in disguise, would counsel their fellow-men to go for the Abolition candidate, because, as they declare, "Mr. BUCHANAN has abused the Whigs in his speeches." THE DEMOCRATIC COUNTY TICKET.

Pending the nomination of a County Ticket, the Democrats of Cumberland county had their own private favorites, and they spared no honorable means to present their claims to the Delegates in County Convention. It is right that individuals should have their partialities—it is right that they should exercise zeal and influence to promote the elevation of personal friends—and it is right that they should adopt measures necessary to carry their wishes into successful operation. But, in submitting the claims of their favorites to the action of a County Convention of Delegates, they are bound to abide the decision of that body; and, whether defeated or successful, must abide the nominations agreed upon, or at once acknowledge and avow their hostility to the principles and objects of the party, by opposing the ticket. The Delegate system has been the bulwark of preserving UNION and HARMONY in the Democratic party; and the REPUBLICANISM of the system makes it a certain shield to the success of its candidates and the perpetration of its principles. It is the sure basis of harmonious organization, and "the will of the majority" is thus found to control its actions and give an impulse to the vigorous course of the whole party at the ballot box.

The ticket presented to the Democrats of Cumberland county was nominated in conformity with the well-established usage. Every township in the county was represented in the Convention, by chosen Delegates of the Democratic party, and the nominations were agreed upon with a feeling and deliberation commensurate with the great interests involved by their election to the various official stations thus primarily assigned to each candidate. We then urged upon the whole party a tenacious adherence to its usages and principles, and an undivided support of THE WHOLE DEMOCRATIC TICKET which was agreed upon by the County Convention of regularly chosen Delegates. A review of the several candidates upon the ticket may serve to exhibit the judicious selection by the Delegates.

First on the ticket is Dr. JOHN A. AILL, of this county, for Congress. As Perry and York will concur the nomination of Congressman to Cumberland, Dr. AILL will doubtless receive the unanimous nomination of the Congressional Delegates. Dr. AILL is so well known to the people of Cumberland county, as an active, intelligent business man, that it might seem superfluous in us to refer to him at any length. No man in the district, perhaps, is more conversant with the feelings, wishes and interests of the people than Dr. AILL. He is indeed, one of the people, and, in the event of his election, will make a most valuable and energetic member of the House. Being a man of good education and business qualifications, he will occupy a position that will give him weight and influence with Mr. BUCHANAN'S administration, which one of different politics of course would not have. Dr. AILL was nominated by a majority of the Delegates representing the Democracy of the county, and should, no doubt, will receive the hearty support of every friend of BUCHANAN in the district, and thus be triumphantly elected. He is now, and always has been an active and vigilant Democrat, and is entitled, as the nominee of his party, to the party's protection.

For Assembly we have again before us WILLIAM HARPER, of Dickinson, and JAMES ANDERSON, of Silver Spring. They are both intelligent farmers, and a goodly number of this county hourly and faithfully in the late Legislature. Their course last winter met the approbation of all, and no vote cast against them. That they will again be triumphantly elected, is a foregone conclusion.
