might, without inconvenience, have done it for themselves. The main thing is for postmasters to keep themselves supplied with a map; that all persons having occasion to use may readily obtain them.

I am, respectfully, &c.

IIORATIO KING.

First Assistant Post Master (uneral. J. W. Gray, P. M., Cleveland.

Death of Hos. Preston S. Brooks.—The Washington Union of Wednesday last chronicles the death of Hon. Preston S. Brooks, member of Congress from South Carolina, who expired suddenly at his lodgings, in that city, on the ovening of the 27th ult., from an attack of croup. The deceased had been in his seat in the House, on the Saturday previous, in the enjoyment of his usual health. The Washington correspondent of the New York Herald.

Suppress Coles, Preston S. Suppresses the state of the strength of the Strength of the Supreme.

ment, nor does he believe that the return of dead letters unopened is desirable. Unless called in a physician on Tuesday morning. The doctor cauterized his throat, and it was supported he was getting better. In the evening his they are returned free of c'arte t would imand should be made. Efforts have been made to put the fellow out of the place he has so display the place he has a territory and as a State, it can only bring trouble and disgrace upon the republic.

The Bribert Business - The New York Merror states that a letter has been received in that city, written by a member of Congress, in which the writer intuities had he writer had he writer intuities had he writer intuities had he writer intuities had he writer had he writer intuities had he writer had he writ now look still more grim and indefensible, and make truthful the words of the orator over the bier of Casar:

"The evil that men do, live after them; The good is oft interred with their bones. So-in all charity and Christian feeling-ma not be with Preston S. Brooks! Strange passing strange, that our paper of Tuesday which contained the announcement of his said den death, also presented the letter of Sonat Summer to the Legislature of Massachuset accepting the honor of re-election to the Senate accepting the honor of re-election to the Senate Chamber, from whence he has been detained for months by the blows which foll from the hand now stilled in death! The coincidence is took striking not to be used to "point a moral" in this connection.

DEATH PROM EXPOSURE.-On Friday last ohn Schweltzer was found frozen to death about four miles from York, Pa.

The new coinage bill provides for the issue of cent pieces, composed of copper and The coin will be white, and about the size of the present half cent piece. It will be ornamented on one side by a spread engle, or the other, "one cent."

Dn. KANR - A letter has been received Boston, dated Havanah, January 14, stating that Dr. Kano's health had improved, much to

The last Kansas Outrage.

Kansas has become to be a country to which we have grown tired of directing our attention. In fact Kansas has got to be a bore. Her virthe controversy in regard to postmasters offic- gin soil, her fine climate, her magnificent location, even her splendid prospects of future freetion, even ner spiendig prospecis of inture rec-dom, have become to be matters of, indifferent interest, on account of the intolerable din to which this much abused, much landed, much lanked of, and much lied about territory has been subjected. It is not the fault of Kansas that she is getting into disrepute as an enter taining subject; but is the fault of the thou sand and one editors, orators, and preach sand and one editors, orators, and preachers, who have been conspiring for the last three years, with united pen and voice, to render her a nuisance. But distasteful 4s Kandan evidently is to the general reader, it is well enough to look after her occasionally to see whether the Border Ruffians have not golen the trritory and carried it into Missouri, or, whether the "shrickers" have not bundled it up surreptitionsly and made tracks with it far "away down East"."

or subscripters of impliers previous to that was a considerable the present writing. It cannot be done "without interfering down East."

This decision is not only timely but eminently pust. We hope our cotemporaries of the press will give it a wide circulation.

Another decision of considerable importance to postmasters has just been called out by the following correspondence:

Cleveland, (Post Office,) Jan. 10, 1857.

Dear sin: Under the late post office law and decisions of the department, requiring prepayment by stamps of all transient printed matter, including lottery circulars and papers, I would respectfully ask—

Ist. Can the publishers as such papers by tendering the honory throw upon the officers of the Dev (1968) Dear sin. (1968) Dear ings. Where is a his indignation?

Judge for Nebraska Tennitont .- Eleazer | Kephart David Wakely, of Wisconsin, was on yesterday nominated, and unanimously confirmed by the Senate, as Judge for the Territory of Nebras. ka, in the place of James Bradley, resigned. Judge Wakely has the character of an able More Jonathan lawyer, and possesses in a high degree qualifica ions that fit him peculiarly for the place Mordorf John We congratulate the Teratory on the fortuna'e Morgan Lizzie selection : and this unanimous confirmation by Molts John

SUPERINE COURT DECISION.—The Supreme Court of Pennsylvania, in hone, has decided a case lighthen the following points were ruled:

A general is set guilty of such negligence as to render himself hable for money which night have been received as his ward's share of an intestate sestate, because he did not proceed against the administrators of that estate at the carliest possible day; and this especially where it he administrators flad, whithin a reasonable time, lift an account which was not finally passed upon until after the ward because of passed upon until after the ward because of passed upon until after the ward against his guardian, instituted more than six years after his coming of age, to charge the guardian with a liability for matters arising from the relationship of guardian and ward.
