

TERMS.—One Dollar and Fifty Cents, held in advance. Two Dollars if paid in advance for the year. These terms will be rigidly adhered to in every instance. No subscription discontinued until all arrearages are paid unless at the option of the Editor.

Lionel Lincoln

BY JOHN B. BRATTON. "OUR COUNTRY—MAY IT ALWAYS BE RIGHT—BUT RIGHT OR WRONG, OUR COUNTRY." VOL. 43. CARLISLE, PA., THURSDAY, MARCH 26, 1857. NO. 41. AT \$2.00 PER ANNUM.

Poetical.

NOTHING MORE.

In a valley far I wandered, O'er the meadow pathway green, Where a singing brook was flowing, Like the spirit of the scene. And I saw a lovely maiden, With a basket brimming o'er, With sweet buds, and so I asked her, For a flower, and nothing more.

Miscellaneous.

THE ESQUIMAUX.

Putnam for May has a graphic account of "The Kane Relief Expedition." The writer's account of the Northern Esquimaux is well calculated to refresh one's love of the much abused civilization, since the utmost equator and degradation of city dens do not equal the cloth and vice of these favored "children of nature." One extract will suffice:

A Good Anecdote.

Old Person B., who presided over a little flock in one of the back towns of the State of M., was, without any exception, the most eccentric Divine we ever knew. His eccentricities were carried as far in the pulpit as in the parsonage. He was a man of a peculiar cast of mind, and his conduct was a study to all who knew him.

An Editor in Heaven.

A paper published in a neighboring State after giving a long obituary of a deceased brother of the quill, thus, in glowing strains, concludes: "We were not glad also that such an Editor is in Heaven."

A Mexican Tale.

A lady of fortune, owing to some combination of circumstances, found herself in some difficulties, and in immediate want of a small sum of money. Her being her godfather had a respectable merchant, who went to him to state her necessities, and offered him a case of valuable jewels as security for prepayment.

A "Blower."

There is no denying that there is a class of individuals who seem to think that there is nothing in life so desirable as being intimately acquainted with prominent public characters.

The Way to Collect a Bill.

Old Squire Tobin was a slow walker but slower pay. Blessed with abundant means, he was of course considered ultimately good for any little debt he contracted.

From the Sculptor.

Education of American School Girls—A Horrible Discovery. We have been suspicious for a long while that we had failed to discover the great cause of the miserable bodily condition of so many young women.

Dr. Kane as a Soldier.

It has already been stated that the lamented Arctic explorer, Dr. E. K. Kane, in addition to his extensive travels in foreign climes, had served his country in the Mexican war.

Working Girls.

Happy Girls! who cannot love them! With cheeks like roses and elastic step, how cheerfully they go to work.

Not Reprinted.

A good joke is going the rounds of a young man, "ardent in love," who met with a bit of cold comfort.

SENATORIAL ORATORY.

In the Senate, says the Washington correspondent of the Cincinnati Enquirer, the most general flowing eloquent speaker I have heard is Benjamin, of Louisiana.

THE INDIAN'S DREAM.

When the Indian went to see the white man, he stopped with him all night. In the morning he says to the white man: "I had a dream last night."
