This celetrated medicine should be kept on hand by families generally, as it is a most excellent cure for Coughs, Colds, Consumption, Hoarseness, Pains and Weakness in the Chest, Liver Complaints, Dysepesia, Whooping Cough, Sore Throat, Quinsey and General Debility. It is pleasant and very good for children. Colds are the hot-beds of consumption, and they

Sore Throat, Quinsey and General Doblity. It is pleasant and very good for children. Colds are the hot-beds of consumption, and they should be remedied as soon as possible. Galloher's Elixir has acquired a just celebrity for the cure of all diseases arising from severe colds; and its efficacy has been attested and approved by hundreds of our most respectable citizens. In every instance lumediate relief has been given, as the following certificate from those who have tried it bears testimony:

We, the undersigned, do certify that we have used Galloher's Preparations for Consumption, Colds, Diseases of the Lungs, Liver, &c., and having experienced immediate relief therefrom, would recommend it to all afflicted in that way. David Herr, Cyrus J. Reese, Mrs. Antes, Wm. Jennings, (certified by William Mitchell, Prothonolary,) Kirk Fow, (Superintendent of the Harrisburg and Lancaster Railroad,) Wm. Colder, sr., Chas. F. Muench, &c., Harrisburg. Many have been cured of Consumption;—and hundreds of other references in various parts of the country could be given, who speak of the medicine in the highest terms. BUILDINGS AND LOCATION.

BUILDINGS AND LOCATION.

This school will occupy the convenient and tasteful building of the "Big Spring Literary, Institute," in the borough of Newville, by whose munificent liberality it has been donated for the use of the School.

The building is a spacious brick cdiffee, seventy by forty feet, three stories in height, and affords ample room for hall, recitation rooms, &c.

&c.

The town of Newville affords unequalled advantages for the location of this school. Easy, of access, healthy, and situated in a highly intelligent community; it offers a desirable situation for the teacher and student to vigorously

DESIGN. The Board of Trustees, composed of one Director from each school district in Cumberland county, have established the school with the decounty, have established the school with the design that teachers may be properly trained and qualified in the different branches, necessary for a proper prosecution of their professional duties; and, to furnish as far as possible, a model of a well organized and efficiently conducted school, to all others who may desire to attend, and prepare themselves for other positions in life.

COURSE OF STUDIES.

The annexed list of studies is arranged in departments, without regard to the order in which the various branches will be pursued, or to the length of time which may be devoted to them. ENGLISH LANGUAGE.—The Elementary sounds, Spolling and Definition of words, Reading, Elocation, English Grammar, Composition including Rhetoric, the Art of Debate.

MATHEMATICS.—Oral or Mental Arithmetic, Written Arithmetic, Practical Mathematics, Mensuration, Algebra, Geometry, Surveying, Mathematical Geography, including the use of Globes. COURSE OF STUDIES.

NATURAL SCIENCES.—Descriptive and Physical Geography, and the use of the Globes, Astronomy, with illustrations by Megic Lantern, Maps, Planisphere, &c., Illuman and Comparative Physiology, Natural Philosophy, with apparatus. Elements of Chemistry.

Theony and Practice or Telectiva. Intellectual Philosophy, the study of School Systems, Lectures on Education and the details of Teaching, Practice in Model Schools. Vocal music throughout the course.

Students who do not design to become teachers can elect their studies from the above list, and will be classified according to attainments.

Lectures on Teaching.—These lectures will be frequent and practical, and comprehend the best modes of application of instruction and discipline in schools. Although not relied upon as the chief basis of instruction; yet.: in connection, with a rigid study of Text Books, their utility is unquestionable, and tully acknowledged. The catechetical mode will be discarded.—The student will be expected to master his subjects, and recite them in clear, and well-chosen language of his own.

Model Schools.—There will be three Model Schools connected with the Normal School, which will be at all times open for observation and practice. The Normal student will be frequently called upon by the Principal to take part in the management, and to adapt a proper system and method in his attempts to teach the young.
