BUILDINGS AND LOCATION. DULLDINGS AND LUCATION.
This school will occupy the convenient and tasteful building of the "Big Spring Literary Institute;" in the borough of Newville, by whose munificent literality it has been donated for the use of the School.
The building is a spacious brick edifice, seventy by forty feet, three stories in height, and affords ample room for hall, recitation rooms, &c.

c. The town of Newville affords unequalled advantages for the location of this school. Lasy of access, healthy, and situated in a highly in-telligent community; it offers a desirable situation for the teacher and student to vigorously prosecute their studies.

DESIGN.

The Board of Trustees, composed of one Di-ector from each school district in Cumberland ounty, have established the school with the decounty, have established the school with the design that teachers may be properly trained and qualified in the different branches, necessary for a proper prosecution of their professional duties; and, to furnish as far as possible, a model of a well organized and efficiently conducted school, to all others who may desire to attend, and prepare themselves for other positions in life.

COURSE OF STUDIES.

COURSE OF STUDIES.
