LEGISLATORS .... A DUTY. business transaction ; as a person totally un As this county, in all probability, will here, after have but one Representative in the lower branch of the State This monstrous and diabolical oath was to ranch of the State Legislature, it is important that great care should be exercised in selecting a ken and still rests upon them with all its crushcandidate. We care not from what section of ing weight and binds and burdens them with the county he comes, so that we have a man all its threatening horrors. They have never who can leave his mark upon the journals of cut loose from the obligations which the taking is above suspicion. Cumberland county is one never denied its binding power-they have of the richest and most important in the State, or abjured the party of whose tactics the adand for members of Assembly we should send ministering and taking of this oath forms a leaour very best men. It is true that it is often a ding feature. How can we safely trust any e to such men to serve in the Legislature, office to the hands of men who are bound by make the sacrifice occasionally, if by so doing method is properly in the constitution and against shares and so is the indext in congruence in the indext is not known in the indext is not known and see if this is not the case. Let us ry them, and see if this is not the case. Let us ry them, and see if this is not the case. Let us all determine that hereafter Cumberland county will see if this is not the case. Let us all determine that the county. The Hort reckless, to confer offices upon such men. Let them reveal THOSE SECRETS so that the credit upon himself and the county. The Hort reveal THOSE SECRETS so the end for whom they are asked the the very best men that can be principles of the men for whom they are asked the the very best men that can be indexed the the vote on the constitution will reach 25,000. In Kansas the

elect "the very best men that can be induced to to vote. go to Harrisburg as their Representatives."-

The common sense of this appeal, its propriety

and necessity, will at once be endorsed by eve

rybody. If any man desires to employ anoth

except legislating ! They will vote for any

Jackanapes placed in nomination by their par

ty, without the least reference to his fitness for the place or his honesty. Is it any wonder, therefore, that our Legislature is annually filled with rogues, and that our legislation is corCAN<sup>+</sup>TARIFF MEN SUPPORT WILMOT ?

noral h

We repeat the question, can tariff men-thes ho, a few years since, were induced to oppose ry outy. If any main desires to employ much, while the democratic party because of its principles is the sense of its principles is the sense of its principles is satisfied of the integrity and com-petency of the employee. Men will not employ for Governor, "free-trade WILMOT 1" It is well a man to attend to any business for them un-less they believe him to be honest and capable, the output of the transmitter of the sense of the indicated to any business for them un-less they believe him to be honest and capable, the output of the transmitter of the transm ocratic party of Pennsylvania always favored a tariff for revenue, with a liberal discrimination in favor of home manufactures. But Mr. WILin favor of home manufactures. But Mr. WIL-in favor, in defance of public sontinuont on this subject, and in opposition to the views of the Democratic party, (with which he was so long connected,) scouted the idea of a tariff of any kind, and contended in Congress (as his speech-es and his votes prove.) for "free trade" in its broadest and most comprehensive sense. Be cause of his course on the subject of the tariff. rupt ? More evils arise from sending incompe- kind, and contended in Congress (as his speechtent men to the Legislature than from any other es and his votes prove,) for "free trade" in its er have attained half its present amount-but cause of his course on the subject of the tariff,

spersons unknown, and robbed of a few articles be successful in Legislation, and corruption gave bin the name of "Free-Trade WILMOT, of cheap jevelry. The burglars effected an en-would scarcely be known. Why is it, then, and recommended that he should be banished larly rejoiced at the sale of the Main Line of permanently enhanced price of flour are not from the State, and be compelled to live in one our public improvements, not because it will re-of the Southern States! "Ile had too many duce the burthensome taxes of the people of the tion of caudidates ? We are not disposed to of the Southern states? "I'le had too many Southern notions in his head," they said, "to live in the North," and they desired him to take up his abode in the South, "where he be-longed." This was the advice, this the tone of the With expense of Reconstruction a few were the be-longed." This was the advice, this the tone of speculate on the cause at present, but simply desire to call public attention to the fact. Infamous legislation can never be corrected, and the Whig press of Pennsylvania a few years since. Then their whole stock in trade was the tariff, the tariff' Now these Whig presses have changed their time, and instead of the tariff, once be established that none but such can be they make the negro question the burden of
