Ho admitted, however, that the "Americans' had committed a number of serious errors, and hence it was that the people were down upon told its readers that the old line Whigs had Sam and his followers. The greatest mistake that party made, he said, was in waging war against all foreigners. He was opposed to this, for he considered every good foreigner a good clizen, and entitled to all the rights and immunities of a native born. Ho was opposed alone to the Catholics, not because this, for he considered every good foreigner a at of them were foreigners, but because he considered their religion hostile to the spirit of fall, if the American spoke the truth at the our republican institutions, &c. The speaker did not tell us who he is in favor of for Governor, but, from the tenor of his remarks, we judge he is a HAZLEBURST man. With the exception of one fight, and a false alarm of fire, the meet-

ing was a peaceable one.

TOP MEMORIAL OF THE FORTY CLERGYMAN. -In the President's masterly reply to the forty neighbor to reconcile his two positive asseveraclergyman-published by us last week-he says al was placed in his hands by Hon-ATIO KING, Esq., First Assistant Post-Master-Without any additional explanation General. it might appear to some that Mr. King sym pathized with the petitioners in the views they expressed, and that he was aware of the character of the letter he conveyed to the President. Such was not the case. The Washington Union contains the following explanation in reference to Mr. K's, agoncy in the matter, which deny it at this late date, goes to prove that enough for parties to nominate candidates for comports entirely with the uniform propriety which marks the conduct of that gentleman, of ficially as we'l as personally. The Union says

"We have been requested by Mr. Horatio King to say that he was not only totally igno-rant, but he had not the slightest suspicion of-the character of the communication from Pro-fessor, Silliman and others to the Provident ; that it came id him through the mail from a person the other starting the mail from a person. that the Democratic Convention of Franklin county performed a noble act, by nominating Judge NILL for Assembly. The Judge has accepted the nomination, and we sincerely hope 

ried this county by 400 majority, the Ameri- (as is now the case.) they shall speak the truth, can, in attempting to account for the result, and defy contradiction. HON. THOMAS S. BELL .- The Democrats of supported. Mr. BUCHANAN to a man, and hence Chester County have nominated Judge BELL as

this large majority in the county ! A couple of their candidate for the State Senate. The Philweeks since, this same truth-telling American adelphia Press, in speaking of the nomination says-The nominations of Hon. THOMAS S BELL for Senator in Chester and Delaware district, and of Hon. JAMES NILL for the Assemmen who had supported Mr. BUCHANAN last bly in Franklin county, are among the good signs of the times. Such men are an honor to time it accounted for Mr. BUCHANAN's large a party, and we doubt not that they will go to majority. We are warranted in asking, there-Harrisburg resolved to do their duty to the fore, at what time it was the American misrep-State at all hazards.

A CAMEL LOAD .- The Government camele now at work in Texas, carry 600 pounds of corn at a load, and travel three and a half miles an hour without difficulty. Their great speculation with great pertinacity. A New. value is not so much on account of greater buryport correspondent of the Boston Traveller participate in the proceedings of the Wilmort value is not so much on account of greater stength than the horse, but on account of their ability to make the jornada del muerto, across some of the desert plains of Western Texas.

> IT is understood that the new constitu tion of Iowa has been adopted by the people but that the separate clause, admitting negroes to free suffrage in common with the whites, has been voted down by a very large majori-

INVITATION TO THE PRESIDENT AND VICE

per says that a woman was arrested recently in that city, "with nothing on her person but a

ABE YOU THERE? -- The New York News re-

The parties immediately interested in it, his, wife and her brothers, one of whom was in the city yesterday, scout the whole affair as a educated, had enjoyed good social positions, conspiracy. It must have been highly drama-tic when Mr. K., attended by the Chief of the Police, entered the presence of his wife and in-formed her that this was the Chief, and that her don newspaper, "would have filled them with of Kansas ; but at the same time, we cannot wear the convict's dress, and herd with the com indignation; and yet, at this moment, they mon mob of vulgar criminals, the touch of

formed her that this was the Chief, and that us/ [Mr. Robertson] was under arrest for a con-spiracy to take her life. No wonder she laughed the assertion to scorn, and when assured that the charge was even so, that she burst into passionate grief, and asserted her life-long confidence in her husband's integrity.

Inte to get the nomination of the opponents of the Democracy for the same office -but it did'nt work, hence the change, we suppose ! SPECULATION IN SUGAR AND MOLASSES.—The New England merchan's, as well as those of New York, are carrying out the sugar and molasses speculation with great pertinacity. A New. to the law in such cases made and provided .-

peculation with great pertinacity. A New-buryport correspondent of the Boston Traveller states that millions of dollars' worth of these ar-ticles held on foreign account are stored in that town. Three acres of South Boston Wharf are to be baryport correspondent of the state data and provided.— States that millions of dollars' worth of these are the charge involved in the indictment has been found the District Attorney could egala demand ball states that millions of dollars' worth of these articles held on foreign account are stored in that the cleaked of noreign account are stored in that the cleaked of noreign account are stored in that the bistrict Attorney could again demand bain, the bistrict Attorney could again demand bain, the leakego from which, it is stated, amounts to forty thousand gallons a day! This is worse that millions of the Dutch, who burn haff is the polecy of the Dutch, who burn haff, their spices to enhance the value of the reat.
is that the balks of a leave of stored his while, an awful waste of stored his the clarge of persecuting a woman, and ore health, the balk, we dare say, is as good as the whole, perhaps better; but in this case there to having been found was an additional tease an awful waste of stored high. The output of the stored the to clarge of the stored him to real stored him
