THE STATE TICKET .--- As soon as we can get the official vote of the whole State, we shall publish it for the information of our readers .--The majority against us is so large (some 25,-000,) that there seems to be no interest in ascertaining it.

"BY THE SKIN OF HIS TEETH."-Col. M'CART. NEY, Opp., is elected Sheriff of this county, by the small majority of 69. ROBERT ALLISON, a true; Democrat and honest man, has been defeated by Democratic votes. We never could see the sense of Democrats opposing their own a great error. We venture to say there is not a single Democrat who supported Col. M'CART-NEY who could get his vote for anything. He would laugh at them if they asked him for such a favor. And yet he has been elected Shoriff by Democratic votes. Shame.

SUMMER RIFLES .- The Summer Rifles, Capt. JAMES M'CARTNEY, paraded for the first time; on Thursday last, numbering some 36 men, rank and file. The Company presented a very neat and soldier-like appearance, and attracted general attention. In the afternoon the Company, by invitation, paid a visit to the Fair grounds; and went through a number of military evolutions, to the delight of all spectators. The Rifles have adopted the United States uniform, with hat and feather. The members of this Company are active young men of our borough, spite of occasional reverses." and we most heartily wish them and the Company success. By close attention to the drill and a perfect obedience to the word of com mand, is the way to make a good Company.

THE AGRICHLTURAL FAIR. The Fair of the Cumberland County Agricultural Society for this year, commenced on Wednesday, and closed on Friday evening of last week. The Fair was a magnificent one, far exceeding any heretofore, held, and during the whole three days of the exhibition our town and the Fair Grounds were crowded, and presented an unusually animated and busy appearance.
