· Frazer River.

The latest news from Frazer River is unfavorable. The river had fallen, but failed to reveal the auriferous sands in the anticipated abundance. As one effect, several "projected" cities had vanished. Such miners as had claims, however, were at work, with variable success; but as the number of those possessing claims are only a small portion of the whole. and all the rich ground yet discovered having heading peculiarities. Obstacles cannot intimi-The San Francisco Bulletin gives its views on

the subject as lollows:

"Whether there are any extensive gold fields at the head of Frazer or Thompson river is not yet settled. Sufficient time has not been al-

yet settled. Sufficient time has not been al-lowed for 'prospecting' in that distant and hardly accessible region. It will be a year be-fore the gold mining capacity of British Co-lumbia is fully known. The bars in the bed of Frazer River are being worked with good re-sults. In some places, it is complained that the pay durt does not hold out to any great depth—but this fact does not appear to be fully sustained by the proof at hand. In short, the condition of affairs in British Columbia usay for the Governor of Kansus, to Miss Many C. condition of affairs in British Columbia may be sammed up in one scutence: There are more miners there than can find diggings; the idle

are returning disgusted, abusing the cour ry; those busy are operating quiely, keeping their own counsel, but are undoubtedly doing well; even if 'dry diggings' be discovered, it will not be possible to do do much upon them until next season; and in the meantime, the people

at Victoria may calculate to see pretty had but in light demand. The sales for shipment times.' Probably more than half the Ualifornians in that region will return to our State during the next three months—some never to, go back, and, some determined to 'try again' never senson "

In these opinions the San Francisco Herald quantities did not exist, save in the imaginations of unprincipled men, who converted popular credulity to profitable account."

THE FATE OF MEXICO .- The N. O. Picayune, which is well informed in regard to Mexican matters, gives its opinion of the proposed "protectorate" as follows :

Peter Corre, who was arrested for shooting three different localities about one or two miles officer Rigdon, turned State's evidence, whilst apart, and is said to be a pure quality of hema-under fear of vengeance from the excited popu-lace. Ile said that the shot was fired by Mar-braces a tract of between eleven and twelve plice, the latter as principal. The police have at the government price within the last three also arrested five other notorious rowdies during years. It is a sparsely inhabited neighborhood, the night, as accomplices, and for endeavoring and until within the last few years, was never to rescue the prisoner. of the use or value of the "black rock

lies upon a range of hills, dividing the waters of Castor and Big St. Francois. St. Louis Democrat.

D Better that we should err in action than wholl refuse to perform. The storm is so much better than the calm, as it declares the presence

of a living principle. Stagnation is somethin worse than death. It is corruption also. If we scrutinize the lives of men of genius, we

been taken up, many were leaving in disgust. date, nor labor weary, nor drudgery disgust them.
