Healthy Gums, and a Sweet Breath ALL who are desirous of obtaining these be-nefits should use ZERMAN'S CELEBRA-

TED TOOTIIWASH. This delicious article combines so many meri-

torious qualities, that it has now become a stan-dard favorito with the citizens of New York, Philadelphia and Baltimore. Dentists prescribe it in their practice most successfully, and from every source the most successfully, that from every source the most flattering laudations are awarded it. Inflamed and bleeding gums are immediately benefitted by its use; its action upon them is mild and soothing and effective. It cleanses the teeth so thoroughly that they are made to rival pearl in whiteness, and diffuses through the mouth such a delightful freshness

that the breath is rendered exquisitely sweet .-It disinfects all those impurities which tend to produce decay; and as a consequence, when these are removed the teeth must always remain sound.
