a certain cure. Dalley's Magical Pain Extractor will cure the following among a great catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises, strains, bites, poison, chilblains, biles, scrolula, ulcers, tover sores, dons, car ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox, measles, rash, &c.

To some it may appear incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfec antidote to its opposite disorder.

Dalley's Magical Pain Extractor in its effects

is magical, because the time is so short between disease and a permanent cure; and it is an ex ractor, as it draws all disease out of the affect. ed part, leaving nature as perfect as before the njury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it. No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the

name of Henry Dalley, manufacturer.
