Dalley's Magical Pain Extractor. IN all diseases inflammation more or less predominates—now to allay inflammation strike at the root of disease-hence an immediate cure. Dalley's Magical Pain Extractor and nothing else, will allay inflammation at once, and make

Dalley's Magical Pain Extractor will cure the following among a great catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises, strains, bites, poison, chilblains, biles, scrofula, ulcers, fever sores, felons, ear ache, piles, sore eyes, gout, swellings rheumatism, scald head, salt rheum, baldness ervsipelas, ringworm, barbers itch, small pox measles, rash, &c.

To some it may appear incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of in gredients, each and every one applying a perfect

intidote to its opposite disorder.

Dalley's Magical Pain Extractor in its effects is magical, because the time is so short between disease and a permanent cure; and it is an exractor, as it draws all disease out of the affect ed part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one

moment without it. No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, manufacturer.

For sale by all the Druggists and patent medicine dealers throughout the United States and Canadas, and in Carlisle, by B. J. Kieffer.

We return our sincere thanks to a generous public for their very liberal patronage, asking a continuation of the same.

JOHN P. LYNE & SON. Carlisle, Oct. 28, 1858.

Important to Females. DR. CHEESEMAN'S PILLS.

THE combinations of ingredients in these Pills, is the result of a long and extensive practice; they are mild in their operation, and certain of restoring nature to its proper channel. In every instance have the Pills proved successful. They are certain to open those obstructions to which females are liable, and bring nature it is respectively beginning the provided of the ture into its proper channel, whereby health is restored, and the pale and deathly countenance changed to a healthy one. No female can enjoy good health unless she is regular; and whenever an obstruction takes place, whether from exposure, cold, or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young females.— Headache, pain in the side, palpitation of the heart, loathing of food, and disturbed sleep, do most always arise from the interruption of na-ture; and whenever that is the case, the Pills will invariably remedy all these evils. In all cases of painful menstruation, or nervous and spinal affections in the back and limbs, lowness of spirits, hysterics, &c. Nor are they less effi-cacious in the cure of Leucorrhea, commonly alled the "Whites." Warranted purely Yezetable, and free from anything injurious to life or health. Full and explicit directions which

should be read, accompany each box. These Pills are put up in square flat boxes. Persons residing where there are no agency es tablished, by enclosing \$1 in a letter, prepaid, to any authorized agent, can have them sent to heir respective addresses by return of mail. one Druggist in every town in the

P. MONYER.

Carlisle, July 1, 1858. Beautiful White Teeth, Healthy Gums, and a Sweet Breath,

TED TOOTHWASH.

This delicious article combines so many meritorious qualities, that it has now become a standard favorite with the citizens of New York, Philadelphia and Baltimore. Dentists prescribe it in their practice most successfully, and from every source the most flattering laudations are awarded it. Inflamed and bleeding gums are immediately benefitted by its use: its action immediately benefitted by its use; its action upon them is mild and soothing and effective.— It cleanses the teeth so thoroughly that they are made to rival pearl in whiteness, and diffuses through the mouth such a delightful freshness that the breath is rendered exquisitely sweet .-It disinfects all those impurities which tend to produce decay; and as a consequence, when these are removed the teeth must always remain

sound.
Prepared only by Francis Zerman, Druggist, 9th and Catharine streets, Philadelphia, and sold by all Druggists at only 25 cents per bottle.
July 22, 1858—19
