TO BE HAD AT EBY'S Grocery Store, some	complete and practical Sewing Machine, ite- not be approached in excellence. Among the undoubted advantages it possesses over all others, may be named the follow- ing: 1. Its simplicity of construction, and conse- quent freedom from derangement and need of repairs. 2. Its unexampled rapidity and ease of ope- ration. 8. Its noiseless movement. 4. The great variety of purposes to which if can be applied, which can be achieved by no- other mechanical means. And, 5. The pro-eminent beauty and durability of the work. Full instruction for operating the machine ir given to purchasers gratuitously at the saler rooms. When the machine is sent somo dis- tance, so that personal instruction is incoure- nient, a card of directions is sont, which are s- sufficient guide. The mechanism, however, it so simple, and the arrangement so easy, that machine is greeelved a half hour's instruction. Any future difficulties are readily surmounted, and the machine sent to their residences after having practice alone makes perfect in the use of this as anyfoling else. Domestics and children of twelve years of age readily become proficient its use. Ishall deliver the machines I sell, either in Carlisle, Newville, Shippensburg, or Chambers- burg. Orders for Carlisle may be left with Samuel W. Haverstick. For further information apply to W. Haverstick. For further information apply to Movember 25, 1858.
