Dalley's Magical Pain Extractor. IN all diseases inflammation more or less predominates—now to allay inflammation strike at the root of disease—hence an immediate cure. Dalley's Magical Pain Extractor and nothing else, will allay inflammation at once, and make

a certain cure.

Datley's Magical Pain Extractor will cure the following among a great catalogue of discases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises, strains, bites, poison, corns, bunions, bruises, corns, bruises, corns, bruises, corns, bruises, corns, cor corns, buntons, bruises, strains, bites, poison, chilblains, biles, scrofula, ulcers, fever sores, felons, ear ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox,

measles, rash, &c.

To some it may appear incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of in-gredients, each and every one applying a perfect

antidote to its opposite disorder. Dalley's Magical Pain Extractor in its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

DR. CHEESEMAN'S PILLS. THE combinations of ingredients in these Pills, is the result of a long and extensive practice; they are mild in their operation, and certain of restoring nature to its proper channel. In every instance have the Pills proved successful. They are certain to open those obstruc-tions to which females are liable, and bring nature into its proper channel, whereby health is restored, and the pale and deathly countenance changed to a healthy one. No female can enjoy good health unless she is regular; and when ever an obstruction takes place, whether from exposure, cold, or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young females.— Headache, pain in the side, palpitation of the heart, loathing of food, and disturbed sleep, do most always arise from the interruption of nature; and whenever that is the case, the Pills will invariably remedy all these evils. In all of spirits, hysterics, &c. Nor are they less effi-cacious in the cure of Leucorrhea, commonly
